DEDICATION TO REV. J. GLENN HUFFMAN

Stone Mountain Association and Wilkes County have been blessed by the life and ministry of Rev. Glenn Huffman.

Rev. Huffman was married to Lizzie Whittington. They had one daughter. After the death of Lizzie, Rev. Huffman married Gracie Lee Whittington. They live at Route 1, Millers Creek. Rev. Huffman is a member of Union Baptist Church.

Rev. Huffman graduated from Boone Baptist Bible Institute which later became Fruitland. He attended Seminary Extension Classes in North Wilkesboro one night a week for thirteen years.

He became pastor of Oak Grove Church in Wilbar when he was only 19 years old. Since that time he has served as pastor of the following churches:

Stone Mountain Association: Union, Mountain Valley, Mount Zion, Mountain View, Mt. Pisgah, Knobbs and Oak Grove.

Brushy Mountain Association: Stony Hill, New Hope, Purlear, Lewis Fork, Boiling Springs, Pilgrim, Shady Grove and Elk Creek.

Brier Creek Association: New Hope

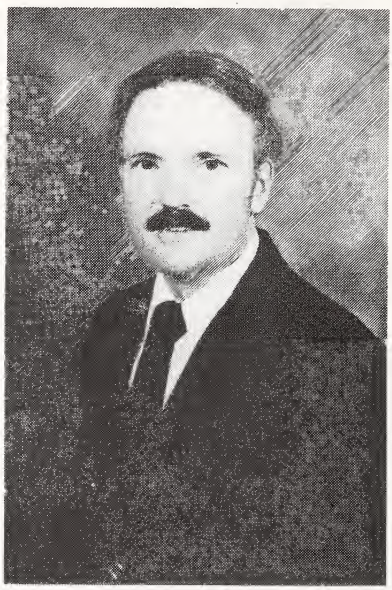
Three Forks Association: Rutherwood

Ashe Association: Blue Ridge

Elkin Association: Rock Creek

Rev. Huffman has served as interim pastor of several other churches. He has also served as Moderator of Stone Mountain Association, as chairman of the General Mission Committee and as the Baptist Hospital Representative.

It is with great pleasure we dedicate this annual to Rev. Glenn Huffman. Thank you, Glenn, for all your inspiration and dedication.



DEDICATION TO MR. STEVE CALL

Stone Mountain Baptist Association has been truly blessed through the dedication and service of many faithful laymen. One such person is Steve Call.

Born May 29, 1949, to Lloyd and Lucille Hayes Call, Steve is a life-long resident of the Mulberry Community in Wilkes County. Steve and his wife, Wanda, have two children: a daughter, Melissa, and a son, Daniel.

Steve received his education at Mulberry Elementary School, Wilkes Central High School, and graduated with a business degree from Wilkes Community College in 1969.

Steve made his profession of faith, was baptized, and joined Baptist Home Church in 1960. Steve's faithfulness to his church has been demonstrated through 32 years of perfect attendance in Sunday School. He has served his church as Brotherhood Director, R. A. Director, R. A. Leader, Sunday School Teacher, Assistant Sunday School Teacher, Usher and Deacon.

At the associational level, Steve has served as Brotherhood Director, Properties Committee Member, Building and Grounds Committee Member, and State Missions Representative.

Steve has also served on the Executive Committee of North Carolina Baptist Men.

Steve is well known for his strong desire to serve the Lord wherever he is and whenever he can. His dedication is seen in his church, on his job, and by his family. Always willing and eager to help others, Steve considers it a privilege and an "act of love" to be able to go the "extra mile" to help others and to show others God's love for them. For whatever accomplishments he may have had, Steve is always quick to give God all the praise and glory. His greatest desire is that others may see Jesus in him.

HAYMEADOW BAPTIST CHURCH HISTORY

Haymeadow Baptist Church was organized August 10, 1905. A Presbytery was called which consisted of Rev. Callie Blevins, Rev. Walter W. Myers and Rev. Elison Handy. Rev. Callie Blevins was appointed as Chairman and L. B. Myers as Secretary. The Presbytery called for those wishing to have their letters go into the Constitution to turn them in. Those coming forward were G. W. Sebastin, Emmer Sebastin and James (Jim) Harrold. These letters were read and received.

The church was named The Baptist Church of Christ of Haymeadow. Land for the building was donated by G.W. Sebastin and his father, Lewis W. The church was built by the people of the community.

The name of the church later became Haymeadow Baptist Church and on September 1, 1911, joined the Stone Mountain Association.

In the years 1946 and 1947, a new building was erected and then in 1963 the building was remodeled and made larger and the exterior was brick veneered. In 1974, the complete interior of the building was reworked and new pews and pulpit furniture was installed.

The number of membership as of August 1, 1986 was 462.

The church has had as pastors as follows: Rev. Walter W. Myers, Rev. Elison Handy, Rev. G. W. Sebastin, Rev. J. A. Blevins, Rev. J. A. Jordan, Rev. D. A. Adams, Rev. Ambrose Dillard, Rev. Troy Blevins, Rev. A. T. Sebastin, Rev. S. L. Blevins, Rev. Monroe Dillard, Rev. D. C. Miller, Rev. J. T. Hendrix, Rev. Dean Dillard, Rev. Major Caudill, Rev. Clarence Brown and Rev. Amos Combs.

The following men have been ordained and licensed since 1969, while Rev. Amos Combs has been pastor: Rev. Julius Blevins, Rev. James Rhoades, Rev. Mac Warren, Rev. Roy Myers, Sr., Rev. Dean Adams, Rev. Clifford Jones and Rev. Walter Royal. Clyde Harris, Bobby Brown, Earnest Key, Sherrill Combs, Gary Harrold, Jessie Whitley and Bobby Ellis have been licensed.

HILLTOP BAPTIST CHURCH HISTORY

In 1961 Hilltop Baptist Church was founded by a group of Christians who began meeting for Sunday School and Worship in the old Fairplains Community Church building. Three deacons were elected: Ralph Pruitt, William Walker, Sr., and Walter Watkins. The Rev. Charles H. Bentley was called as the first pastor. During the first year, the Sunday School attendance increased from 13 to 27.

On July 4, 1963, Rev. Wilson Joyner was ordained and became pastor and served until January 21, 1973.

During the spring of 1965, a new church was built and the congregation voted to call the new church Hilltop Baptist Church.

Revival services have played an important part in the growth of Hilltop Church, especially the one conducted by Rev. Akers in 1979. At this time, Rev. Akers was 102 years old and through his preaching 12 souls were saved. (At the time of this writing, Rev. Akers is still preaching the gospel.)

In March 1973, Rev. Muncie Absher was called as pastor. During his ministry, Rev. Absher led the church to begin supporting foreign missionaries. The church by this time had grown to the point that additional space was needed. In 1973 a choir loft, a baptistry, and 8 classrooms were added to accommodate the growth that God had given.

Following the resignation of Rev. Absher in May, 1980, Rev. Glenn Dancy, III, was called as interim pastor. On August 17, 1980, Rev. Dancy was called as pastor. During his ministry, Wednesday night services began in 1981. On September 17, 1982, Hilltop came under the watchcare of the Stone Mountain Baptist Association for one year before becoming a full-fledged member. The church also began supporting the Cooperative Program.

Several things happened during the year of 1983: Hilltop adopted a church constitution, became debt-free, and a van was purchased and paid for to transport senior citizens to church.

In January, 1984, Rev. Dancy became the first full time pastor. A weekly visitation program has been implemented and a renovation project has been completed with new ceilings and new lights for all Sunday School rooms and halls.

In the summer of 1986, a Backyard Bible Club was formed by our youth. This club reaches out to children of our church and the children of our community. The enrollment has increased to 16.

Hilltop has maintained a slow steady growth and now has a Sunday School enrollment of 154 with an average Sunday School attendance of 112.

Future plans include complete renovation of the sanctuary and the outside areas of the church.

THE CONSTITUTION FOR STONE MOUNTAIN MISSIONARY BAPTIST ASSOCIATION

Article I--NAME

This association shall be known as the Stone Mountain Missionary Baptist Association.

Article II--MEMBERSHIP

Section 1. Membership shall be composed of the officers of the Association, pastors and churches that have been received into the fellowship of the Association and that continue Baptist faith and practice, and that cooperate with the association, and support the agencies of the State and Southern Baptist Conventions.

The voting body shall consist of the duly elected messengers from the Churches within the Association.

Amendments--Each church with a resident membership of two hundred or less

shall be entitled to three elected messengers, and those having more than two hundred resident members shall have an elected messenger for each hundred or major fraction thereof beyond the two hundred resident members, but not exceed a total of ten elected messengers.

Section 1a.--We will not receive any church into our fellowship that practices or consents to practice baptism by any method(s) other than immersion or who receives or agrees to receive anyone into their fellowship by letter or any other method(s) who have been baptized by any method(s) other than immersion.

If any church within our Association should violate this constitution by practicing or agreeing to practice baptism by any method(s) other than immersion or receives or agrees to receive members by letter or by any other means, who have been baptized by method(s) other than immersion, shall be considered in violation of our constitution and upon such knowledge of this fact said church will be notified by our Executive Committee of their violation and placed on one-year probation and instructed to correct such violation within this year and report said action to the Association. MODERATOR'S REPORT

Someone may ask, "What is the association?" It may be defined as a church larger than ours. Each church in the association has its unique personality just like the individual members of a church. Everyone has his/her idea how the church should spend its money, build its building, and carry on its mission program. The association has the same problems, just in a larger way. One difference is, the association has no more right to decide for us than does the local church.

In the church, we talk things over; then, everyone has the right to express himself or herself in a Christian manner. We than vote and hope that everyone will work with the majority vote. This doesn't mean that everything is done like each person thinks it should be, but we must abide by the majority. This is the same principle that the association should operate on. I am grateful that we have been able to do that in our association, and I am sure we will continue to work together and see the "Kingdom of God" work in our midst.

EVANGELISM REPORT

"Good News America, God Loves You" was very vividly seen and heard throughout Wilkes County as Southern Baptist Churches conducted the largest simultaneous revival effort ever. Thirteen of our churches directly participated while others held revivals close to the March 23-30 date. As of this writing, the total results aren't yet available, but the results look very good.

The fortieth Statewide Evangelism Conference was held February 3-4 at the Greensboro Coliseum and, as always, the services were very good. I want to encourage everyone to attend next year's conference if you get the opportunity to do so.

A very special thanks to each person that has worked in evangelism this year; without your monies, prayers, visits and calls to the unsaved, evangelism would not take place.

Respectfully submitted,
Tim Pruitt, Evangelism Chairman

SUNDAY SCHOOL REPORT

The need for a strong Bible teaching program in Wilkes County has never been more evident. In 1985, there were approximately 15,000 people in church on any given Sunday. The population of 60,463 means that there were 45,463 people who were not in any church in 1985 in Wilkes County.

In America, it is estimated that there are 130 million to 160 million adults and youths who are unsaved.

The Sunday School is the Bible teaching and soul-winning arm of the church. Our aim is to use the Sunday School and its people to win these to faith in Jesus Christ.

On January 21, the ASSIST Team attended a Sunday School Training Workshop at the First Baptist Church in Asheboro. On February 2-3, the Associational S. S. Director attended a 2-day workshop on Sunday School in Greensboro. On May 12-14, the Director also attended the Sunday School Workshop as part of Key Leadership, Ridgecrest. There was a Sunday School Key Leadership Conference held on the associational level on July 8 as part of the local Key Leadership Conference.

Our plans for 1986-87 include a Sunday School Workshop September 23 from 7:00 to 8:30 P.M. In the spring of 1987, we plan to have a Sunday School Workers Training in Evangelism. We are also encouraging our churches to help in the 10/90 Challenge to enroll 10 million people in the S.B.C. Sunday School Program of our churches.

We are grateful to our Lord for His blessings upon our association during 1986-87.

Respectfully submitted,
Mike Wilkinson, Asso. S. S. Director

CHURCH TRAINING REPORT

Church Training is the organization to carry out the task of helping church members, new church members and church leaders grow in their Christian discipleship. The program enhances the total work of the church.

The Annual "M" Night Session was held at Peace Haven Church with seven churches represented and ninety-eight in attendance. Special music was presented by Peace Haven Choir. Rev. Jim Lambert, Northwestern Area Missionary, brought a message on "Bringing Together Lordship and Servanthood." The attendance banner was won by Peace Haven.

Youth Night was held with Doug and Susan Shelton again doing an excellent job of coordinating the Youth and Children's Bible Drills and the Youth Speakers' Tournament. Sixteen participated in the Children's Drill, four in the Youth Drill, and two in the Speakers' Tournament. You could see the youth, parents, and leaders had worked hard perfecting their Bible and speaking skills. Congratulations to Larry Stone (Baptist Home) and Todd Felts (Fairplains) who were in the Speakers' Tournament. Participation in the Youth Bible Drill were Wesley Shelton, Karen Elledge, Jeff Sebastian and Melissa Call (Baptist Home). In the Children's Bible Drill were Laura Elledge, Lori Shores, Cheryl Warren, Melinda Elledge, Nathan Ward (Fairplains), Brett Elledge, Chris Stone, Daniel Call, Marian Shumate, Holly Lambert, Debra Wyatt, Tina Higgins (Baptist Home), Edward Joines, Toby Billings, Garron Billings, Shannon Billings (Roaring Gap).

Church Training can be a vital part of your church growth. I pray more churches will see the need to add Church Training to their program.

Respectfully sumitted,
Juanita Billings

BAPTIST LITERATURE REPORT

In researching my report on Baptist Literature, I found the philosophy of Curriculum Development published in the Church Materials Catalog giving four statesments. Let me share those with you.

(1) The curriculum is based on the Bible

(2) The curriculum is designed to meet the needs of persons

(3) The curriculum penetrates and undergirds the total church program

(4) The curriculum appropriately relates method to content

In these statements we find people concerned with the needs of your church and you. We give praise to God for such people who share their knowledge with us.

Billy Felts

WOMAN'S MISSIONARY UNION REPORT

During the past year, our W.M.U. activities began on August 3, 1985, with the W.M.U. leaders attending workshops at Caraway Conference Center in Asheboro, N.C. After returning, we had training sessions for the different groups, W.M.U., Baptist Women, Baptist Young Women, Acteens, GA's, Mission Friends, Enlargement and Enlistment, and one for the Centennial Celebration Chairmen of the churches in the association.

During January, 1986, the W.M.U. in North Carolina began the celebration of the first 100 years of Woman's Missionary Union Work, and will continue this through this year.

On March 20, 1986, the W.M.U. had their annual session at Maple Grove Baptist Church. Mr. and Mrs. C. H. Frazier from Greensboro had the program. Mrs. Frazier (Pat) portrayed Annie Armstrong. Since then, she has visited several churches in the association portraying Lottie Moon, Annie Armstrong, and Fannie Heck.

The W.M.U. Council has met several times throughout the year and made plans for the work in the association. Each leader is available to assist the churches in their organizational work, so please call upon the leaders for their assistance.

May we all grow more spiritually and stronger in our W.M.U. work for the will of God.

Respectfully submitted,
Jo Hendrix, W.M.U. Director

NORTH CAROLINA BAPTIST HOSPITAL REPORT

During 1985, Baptist Hospital admitted 23,535 patients for a total of 195,243 days of patient care. These patients came from across North Carolina, 31 other states, the District of Columbia and 8 patients from outside the United States. An additional 252,043 ambulatory patients were seen.

These people came to Baptist Hospital because of the medical expertise and the technical equipment. For example, Baptist Hospital surgeons, successfully removed a relatively rare tumor from the interior surface of a woman's heart. Plastic surgeons were able to remove scar tissue and restore hair growth for a child who lost 40 percent of her hair-bearing scalp in a kitchen fire.

Carbon dioxide laser is being used to treat some cases of early cancer of vocal cords. Four types of lasers are used in treating problems of the eye.

A new lithotripter uses high energy shock waves to break up large kidney stones. This saves money, pain and recovery time for many patients.

The medical center has begun an emergency helicopter service to transport victims of trauma to the hospital more rapidly.

The School of Pastoral Care Centers provided 24,553 hours of counseling. Chaplains in the hospital made 56,460 visits with patients, families and employees.

The medical center's $150 million facilities expansion program is on schedule and within budget. New facilities will include a new patient tower, a new clinical services building, an addition to the research facilities and a building to house the magnetic resonance imaging scanner.

Respectfully submitted,
Rev. Ralph Stanley

CHRISTIAN TRAINING REPORT

For more than 35 years, Seminary Extension has given Southern Baptists a way to bring ministry education close to home for their ministers and lay persons.

This year we studied the book of Revelation. Rev. Paul Shoupe was the teacher. A total of twenty-nine enrolled for the course. Four people received certificates.

We will be studying the book of Acts each Tuesday night, January 6-March 10, 1987. Classes will be held at the association office from 7-9 p.m. Rev. Howard Laney will be the teacher.

Last year Stone Mountain Center was one of 378 similar centers throughout the United States.

Respectfully submitted,
Floyd Coffey

MISSIONS COMMITTEE REPORT

God has called all of us to missions. This is the life-line of a church or an association. If a church or an association ceases to be mission-minded, it ceases to grow.

Last year the churches in Stone Mountain Association gave $125,314 to missions. For that, we are grateful, but we would like to encourage each church to continue to give to missions.

The Missions Committee met one time this year, June 5th. They recommended that we dedicate the 1986 Annual to Rev. Glenn Huffman and Mr. Steve Call.

Respectfully submitted,
Rev. Paul Coffey

BAPTIST FOUNDATION REPORT

The purpose and objective of the Baptist Foundation is to assist individual Baptists to find ways of continuing their support of all Baptists causes - institutions - agencies - mission causes - with estate and deferred gifts. As a result, trust funds are now administered which benefit local churches, associations, specific mission objects and offerings, and every agency, school and institution supported by Baptist.

It is now possible through the Foundation for each Baptist to "Give It Twice", once to family, then to Kingdom causes. Through properly constructed trusts and wills, family members and friends can receive from one's estate, over a period of years, an amount exactly equal to, or even greater than, the estate portion they would normally receive through an ordinary estate distribution. With the "Give It Twice" plan, after the family receives their portion, the entire estate principal is still intact, with the income from the entire estate available for Christian causes forever. If giving is exciting for the Christian, giving it twice is surely twice as exciting.

Every cause the church promotes and supports can be endowed for perpetual and "forever" support. The Foundation's role is to help the church, church members, and congregation find the best ways to do so.

Rev. Joel Blevins

BAPTIST RETIREMENT HOMES

In recognition of the increased proportion of adults now 65 or older, the Baptist Retirement Homes of N. C., Inc. has sought to create a broader awareness of its services across the state. This is being done through the use of the **Biblical Recorder,** local newspapers and direct contacts.

The sheer size of the senior adult population in the next decade is expected to require a significant expansion of existing services. Already consideration is being given to the construction of Continuing Care Communities in Asheville and Charlotte and to the renovation of the campus in Winston-Salem.

Some facts and figures that highlight the achievements of the Baptist Homes from August 1985-June 1986 are:

-over $900,000 of benevolent care was provided to residents
-of a projected 3.4 million dollar budget, the Cooperative Program and Homes and Hospital Offering provided $785,000
-over 40 new residents were admitted to the Homes and Nursing Care
-construction and renovation of seven new housing units was completed on the Winston-Salem campus
-Bill Stillerman became the new president of the Homes.

MUSIC REPORT

Let me encourage all churches to keep up the good work going on in their music programs, and be sure to fill out those music reports.

I would like to thank all those who have helped provide special music at meetings throughout the past year. It is good to know we have all this talent in our association.

NORTH CAROLINA MISSIONS REPORT

At the North Carolina State Convention the messengers voted that our North Carolina Missions Offering be divided into two separate offerings....The Baptist Homes and Hospital Offering to be taken in May and the State Mission Offering to be taken in September. We are told that 10% of all monies given by Stone Mountain Baptist churches will be returned to the association in January for mission opportunities.

State Missions exists in partnership with Associational Missions across the state. State Missions is a cooperative effort of the Individual Church, the Association, State Convention, Home Mission Board and Foreign Mission Board.

One of the mission programs is to start new churches. Unfortunately, we have not kept pace with the recent population growth. If we had broken even with population growth between 1970 and 1983, we would have needed a net growth of 516 new churches. We had a net gain of only 35 churches.

Some of State Mission Programs are: Ministries to Special Persons, Resort Ministries, Seminary Extension Classes, Ministry to Language Groups and other areas too numerous to mention in this report.

Another important effort of State Missions is helping our seven Baptist Colleges to help qualified students receive an education. Some 500 students are getting help with tuition and expenses through State Missions scholarships this year.

Our Baptist Camps, Mundo Vista, Caraway and Caswell, are also a great part of State Missions.

God's dreams - they are what State Missions is all about. God's dream that every person on earth will come to know Him and will CHOOSE TO LOVE HIM AND SERVE HIM WITH ALL OF LIFE.

Rev. Harold Grindstaff

VACATION BIBLE SCHOOL REPORT

Vacation Bible School (VBS) began this year with the Associational VBS Team attending the State VBS Clinic in March. The Associational Early Bird Clinic was in March and the Regular Clinic in April. There were 17 from 11 churches in attendance at the Early Bird Clinic and 93 from 15 churches at the Regular Clinic.

VBS is a year-round work. Between schools, we should be busy doing follow-up of leads and planning for next year.

Important dates for the coming year are:

State VBS Clinic	March 13, 1987
Early Bird Clinic	March 16, 1987
Regular Clinic	April 20, 1987

THE COOPERATIVE PROGRAM

The Cooperative Program is the plan through which Southern Baptists support the ministries they are doing together. The Cooperative Program is a partnership among Southern Baptist Churches, Southern Baptist State Conventions, and the Southern Baptist Convention designed for the purpose of witnessing, teaching, healing (medical ministries), preaching the gospel, feeding the hungry and sheltering the homeless throughout the world.

Gifts through the Cooperative Program are voluntary and are used to convey God's love through Jesus, "His only begotten Son", and that salvation through Him makes a difference in our daily lives and certainly in eternity.

The Cooperative Program has grown to the extent that the gospel message is now carried to 106 countries around the world. This partnership manifests God's love through the strength of 14,000,000 plus Southern Baptists in 37,000 Southern Baptist Churches.

The Executive Committee of the Southern Baptist Convention has the responsibility of preparing a proposed distribution of Cooperative Program receipts to the agencies of the Convention.

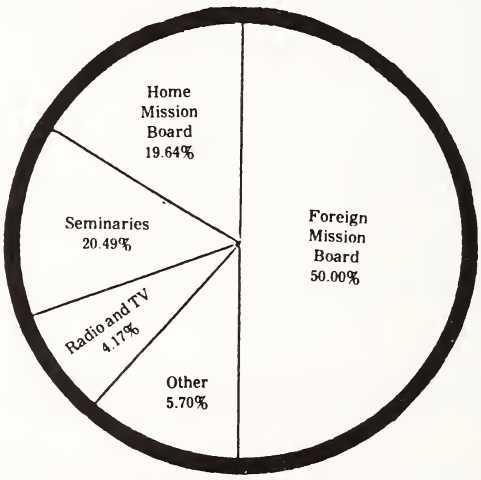
The agencies are requested to submit budget and financial data for the previous year, current year, and estimated data for the following year to the Executive Committee. This information serves as basic data to prepare a purposed distribution of the following year's Cooperative Program receipts for Southern Baptist Convention causes.

In addition to the budget and financial material they supply, the agencies are also given the opportunity of personal presentation of their budget needs to the full Executive Committee.

The information is gathered in the late fall with January as the deadline in order that all budget information can be organized and distributed to members of the Executive Committee prior to the February meeting. The Executive Committee makes its recommendation to the Convention in its annual session in June.

The Convention either approves or amends the recommendation of the Executive Committee as to the allocation of Cooperative Program funds for the next fiscal year.

Shown below is the percentage of the basic operating budget:



In summary, the Cooperative Program of the Southern Baptist Convention is the finest means that Southern Baptists have to share the Gospel of Jesus Christ around the world.

I am proud that our denomination has provided a way in which all Southern Baptists can "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to do whatsoever I have commanded you..." (Matthew 28:19-20a).

ANNUITY BOARD REPORT

The responsibility of the Annuity Board is to administer retirement and insurance programs to meet the needs of ministers, church employees, denominational and institutional employees, and seminary students. Money contributed by churches, agencies and individuals is held in trust by the Annuity Board to provide these benefits.

A relief and supplemental assistance program assists needy, disabled and retired ministers and widows of ministers. This program is funded by the Southern Baptist Convention Cooperative Program and by private donations to the Annuity Board's Endowment Department.

The Annuity Board is offering a new plan (The Expanded Annuity Plan) to become effective January 1, 1988. We would encourage each church to adopt this plan.

Only ten of the twenty-three churches in our association are providing any retirement for their pastors. Two of these provide only the minimum.

Many men who gave their life in service to God and the church receive less than $100.00 per month to live on. Take a look at what you are doing for your pastor.

CHURCH MEDIA LIBRARY REPORT

TACMO (The Church Media Library Organization) became a reality this year. The purpose of TACMO is to help leaders of every church achieve a good working knowledge of their available tools, train library workers, assist in establishing new libraries, and establish and maintain the associational library. TACMO also gives the media library workers an opportunity to share ideas and lend encouragement.

Training sessions were held twice during the year and four staff members attended the State Media Library Conference at Caraway.

The following churches now have a media library: Baptist Home, Center, Fairplains, Haymeadow, Hilltop, Knobbs, Peace Haven, Roaring Gap and Traphill. Mountain View has voted to start a media library and room is just about ready to begin. Our media library ASSIST team will provide hands-on assistance if needed.

CHRISTIAN ACTION LEAGUE REPORT

Helping Christians to apply the moral demands of the Good News of Jesus Christ is the top priority of the Christian Action League.

There is much to rejoice about what has occurred in the last 12 months, but it is also time to renew our efforts.

I. OBSCENITY: The state's new Comprehensive Obscenity and Child Protection

Act has been met with success. Twelve months ago North Carolina had some 750 hard core porno outlets making our state the nation's "smut" capital. Today, only about 150 remain in operation and most of these are facing porno charges.

II. ALCOHOL (Liquor-Beer-Wine): Referendums for liquor-by-the-drink were defeated in seven areas; Old Fort defeated beer-wine sales; King defeated ABC liquor store vote.

III. GAMBLING: In 1987, the church will probably face the strongest challenge yet from the gambling industry.

Pro-lottery forces have already stated that they will be back before the 1987 legislature with an all-out effort to secure a statewide lottery.

Basically, the decision will be made in the November, 1986, General Election. If a few more pro-gambling legislators win seats in the legislature, the war is over. In the 1985 session, the lottery went down to defeat with a tie vote. That is how close the issue already is in our state.

Christians must make this a matter of prayer and vote November 1986, or Satan may win one of the greatest victories he has ever won.

BAPTIST CHILDREN'S HOMES REPORT

During the year 1985 the Baptist Children's Homes of North Carolina celebrated one hundred years of loving care for dependent, neglected, homeless and troubled children; unwed mothers and their children; and related services to the relatives.

In the one hundredth and first year of care, more than 1,500 children were served. Many of these had no religious affiliation. Twenty-five youth were baptized into the fellowship of the local church.

Of the new Homes and Hospital Offering received in May, fifty per cent went to the Children's Homes, twenty-five per cent to the Hospital and twenty-five per cent to the Retirement Homes.

The Hickory-Lenoir Family Services Area Office is located at 828 9th Ave., N. E., in Hickory. It is through this office Wilkes County, along with ten other counties, is served.

GENERAL BOARD REPORT

The General Board of the Baptist State Convention normally meets three times each year; but the Executive Committee of the General Board normally meets ten or more times each year, depending on the needs of the Convention. As Chairman of the Church Programs Committee, your representative has qualified to sit on the Executive Committee and to actively participate in high-level decisions. Participation in decision making at this level has given your representative a deep insight

into purposes, functions and plans of the Baptist State Convention. Not only is it enlightening and spiritually uplifting, but it is an honor to have the privilege to work with men and women who are highly sincere, intelligent and dedicated to the cause of Christianity and the Baptist State Convention. Thus, I am pleased to report that the work of the Convention is in good hands; and that all the programs of the Convention are in very strong positions at this time.

The Baptist State Convention will hold its annual meeting in Greensboro on November 11 and 12 of this year. A number of very important recommendations will come before the Convention and decisions will be made by this body that will influence the churches of the Stone Mountain Association. It is expected that the controversy with Wake Forest University will again come before the Convention and that some decision in this matter will be made. Other important matters will also have to be addressed. It is your representative's recommendation that every church of the Stone Mountain Association send its maximum number of messengers so that our association can have an active role in making decisions that will affect all of our churches.

BROTHERHOOD REPORT

As another year has swiftly gone by, we would like to pause and praise God for His goodness, His mercy, and His love toward us. It is only through Him that we can accomplish anything good. We are thankful for the good works God has helped us to do in Brotherhood for 1985-86.

Men and boys should be involved in the work of the church. Each has something they can do for the Lord, and often these men's and boys' talents go unused in the church.

The purpose of Brotherhood is to put the talents of these men and boys to use. While doing this, they are also encouraged to study missions, do mission projects, pray for missions and give to missions. They also have many materials available to inform them on what other Baptist Men and Royal Ambassadors are doing in the world today. If men and boys can be involved in this type of program, it will also help them to see the need to reach out to others and win them to Christ.

Our prayer for 1986-87 is that all our churches in the Stone Mountain Association will see the vision of what they can accomplish with an active Brotherhood program in them.

In 1985-86 Brotherhood promoted and/or participated in the following activities:

DATE	EVENT	NO. CHURCHES REPRESENTED	TOTAL PARTICIPATING

NORTH CAROLINA BAPTIST COLLEGE REPORT - 1986

North Carolina is a recognized leader in Christian higher education. Baptists have established and supported seven colleges for a cumulative total of 786 years. Leaders who formed the Baptist State Convention in 1830 did so with founding a college in mind. Baptists and their colleges have grown up together in North Carolina. The histories of the Convention, the churches and the colleges are inseparably intertwined.

The "roll call" of colleges, and a brief mention of current items of interest and concern, are listed:

Campbell-During 1986, there is a special observance of the centennial year, using as a theme "A Century of Vision and Service." The new School of Pharmacy will open in the fall, and a School of Education has been established for graduate studies. Programs are offered in Goldsboro, Rocky Mount, Raleigh, Fort Bragg, Sanford, and in Wales and Malaysia.

Chowan-Enjoys a national reputation as a two year institution of high quality. President Bruce E. Whitaker was recently named as one of the 17 most effective chief college administrators in the nation. Chowan is engaged in a four million dollar campaign for additional student aid, scholarship assistance and program support.

Gardner-Webb-On May 31, 1986, Dr. Craven E. Williams completed his tenure as president, begun in July, 1976. On June 1, Dr. M. Christopher White, Vice President of Elon College, became the 10th president of Gardner-Webb. Included in its many educational programs are assistance for deaf and blind students who wish to earn a college degree.

Mars Hill-A comprehensive revision of the General Studies curriculum, to be implemented in the fall of 1987, includes statements of convictions by the faculty. Included in these are the centrality of Christian faith, morals and purposeful life, responsibile citizenship and the value of work. Scholarships to attract superior students continues to be a major emphasis.

Meredith-"Thorough instruction" and "culture made perfect through the religion of Jesus Christ" are central to the college mission. Extensive studies during 1986 resulted in a reaffirmation of Meredith's commitment to education for women in both undergraduate and graduate programs. Construction of the Gaddy-Hamrick Art Center was begun in June.

Wake Forest-Conversations continue between Convention leaders and university trustees to clarify the basis for a continuing relationship. Founded in 1834 by North Carolina Baptists, Wake Forest is acknowledged as a superior university among church-related schools in the nation.

Wingate-Looking toward its one hundredth anniversary in 1995, the college has entered a 10-year, 30 million dollar "Second Century: Vision for Excellence" campaign. Numerous building, renovation and beautification projects are planned, in addition to library expansion, faculty support and student financial aid.

DEDICATION TO
REV. & MRS. HOWARD (Margie) LANEY

In recent years, no two individuals have invested more of their time, talents and energy into Stone Mountain Baptist Association than have Howard and Margie Laney. But, of course, their work for our Lord began many, many years ago.

This dedicated Christian team, now members of Fairplains Baptist Church, are both natives of Catawba County.

Rev. Laney attended Gardner Webb and Lenoir Rhyne College. He was ordained into the Gospel Ministry in 1951 by Mount Ruhama Baptist Church, Route 2, Newton,

N. C. and has served as a pastor for 37 years. Churches served include: Faith Baptist Church (South Fork Association), Liberty Grove and Roaring River (Brushy Mountain Association), Starnes Cove (Buncombe Association), Providence C (Caswell Association), Anderson Grove (Stanly Association) and Fairplains (Stone Mountain Association) where he has served since April, 1977.

Before serving as pastor, he taught Junior boys in Sunday School and served as a R. A. leader.

The associational offices held by Rev. Laney through the years include: Sunday School Director, Church Training Director, Music Director, serving on numerous committees, and Moderator. He has faithfully served Stone Mountain Association as Moderator since 1979. He contributed much to the planning and building of the Association Office. Also, he contributed a great deal in giving leadership to Mrs. Laney when she became our Director of Missions. Rev. Laney was responsible for Religious Programs in Prisons in Stanly County. While serving in Buncombe Association, he led Starnes Cove Church to have a standard Sunday School for 6 years.

On the state level, Rev. Laney has worked in Sunday School Enlargement Campaigns throughout North Carolina and one in Virginia. He is presently serving on the Pastor's Advisory Council of Campbell College.

He served as Chaplain for Chevrolet Company in Asheville and has served as Volunteer Chaplain for Stanly County Hospital and Wilkes General Hospital.

He has supported the Wilkes Ministerial Association where he has served as President and Activities Director. He has served on the Board of Directors for the Deaf Ministry, Rest Home, Fire Department and Crimestoppers. For 20 years, he has been a Volunteer Fireman and for 2 years a First Responder.

Mrs. Laney has served Stone Mountain as Director of Missions since November, 1983, always going "beyond the call of duty" in the tasks she undertakes.

Over the years, she has held the following offices in the church. She has been an Adult Teacher for 40 years; WMU Director for over 17 years...G.A. Director for 15 years...and also a Sunbeam Leader; Youth Leader in Church Training for 17 years; she served as a Homebound Leader, taking tapes and teaching Sunday School lessons to shut-ins; for 7 years, she was a Children Church Bible Teacher.

On the associational level, Mrs. Laney has served as WMU Director in Brushy Mountain, Stanly, and Stone Mountain Associations. She has served as Baptist Women Director and WMU Secretary. In the area of Sunday School, she has worked as Nursery, Beginner and Youth Leaders. She has also taught mission studies and study courses in a number of churches.

Mrs. Laney has been greatly involved in emphasizing and encouraging Seminary Extension Classes, a Lay Evangelism School in 1984, the 1985 WEBBS World Missions Conference, and our 1986 Good News America Simultaneous Revivals.

This couple has been blessed with three children: Mrs. Joe (Carolyn) Wells of Asheville; Ricky Laney of Albermarle; and Debra Laney of Charlotte.

The Lord's work has always been uppermost in the minds of these two servants. Their zeal in carrying forward Christianity is most evident in their daily lives. Stone Mountain is heavily indebted to them-for it's much through their steadfastness, dedication and love for the Lord and His people that we have seen Stone Mountain Baptist Association grow.

Our sincere thanks to both of you, Howard and Margie!

HISTORY OF
MAPLE GROVE BAPTIST CHURCH

Doctor James Whitley stuck a stick in the ground up near the highway and said to his children, "This is where I want to be buried; someday there will be a church here". Years after he was buried there "Uncle" Thomas Whitley had a vision of a church near the grave of his brother. Doctor Whitley's widow, Eliza Jane, and his heirs gave the land for a church and cemetery.

Thomas had a sawmill moved in to cut timber and with much voluntary help from his family, Doctor Whitley's family, the Bert Pendry family, the A. C. Yale family and many neighbors, they began to build a church.

On August 7, 1932 the church was formally organized with 16 members...Thomas and Mattie Whitley, Pearl (Burchette) Harrold, Mamie (Whitley, Rhodes) England, Bert and Millie Pendry, Opal (Pendry) Elledge, Vallie (Pendry) Huffman, Merdie and Mollie Brown, Lonnie Brown, Mae Brown, Bob Johnson, Dovie (Johnson) Cheek, Hessie (Johnson) Holloway, all from Oak Ridge Church, and Arlee (Pendry) Felts, from Mtn. View Church. The deed was first made to "The Deacons of Beautiful Home Church." Later the name "Maple Grove Baptist Church" was adopted because of a grove of maple trees at the church. The Rev. S. L. Blevins served as chairman and A. C. Yale as Secretary to the Presbytery during the organization. The first deacons elected were Dewey Whitley, Bob Johnson and Monroe Myers. The church voted to join the Stone Mountain Association when it was organized electing Thomas Whitley, Bert Pendry and Monroe Myers as first delegates and Dewey Whitley, Lonnie Brown and Bob Johnson as alternates.

By 1949 the membership had grown to 197. Something had to be done. The little white frame building was moved to the side and a brick structure consisting of a large sanctuary and full basement with 6 classrooms and a boiler room was built.

Additional property was purchased in 1958 and in 1959 the first annex was built, making the sanctuary larger with more classrooms and bathrooms. In 1968 a lot was given by the widow and heirs of F. C. (Frill) Johnson. With continued growth of the church and plans for the future the church saw a need for a pastor on the field. Mr. and Mrs. Bert Pendry gladly gave the land to build a parsonage which was completed in 1966.

On May 2, 1968 under the leadership of the pastor, Rev. Clinton Bailey, ground was broken for a "do-it-yourself" building program of a modern educational building. When completed, the new annex consisted of a fellowship hall, kitchen, pastor's study, office, 2 new restrooms, nursery and 9 new classrooms.

With our rivers becoming more polluted daily we saw need for a change. In 1986, we completed a beautiful baptistry with a full muriel background. This was dedicated in honor and in memory of our beloved Clarence C. Blevins for his love for God and his church and for his faithfulness. He made a big impression on all our lives. His spiritual leadership won't soon be forgotten.

Maple Grove was first in the association to have weekly services; joined WMU in 1944 and organized Brotherhood in 1960. The church has long been a mission-minded group and has been a leading church in the association to support missions.

Our church has ordained 9 men into the gospel ministry: Hillary Blevins, Sam Childress, Milo Huie, Cleo Whitley, J. T. Pardue, Paul Coffey, Glenn Dancy III, Donald Blevins and Joel Blevins.

Pastors serving: Landreth Blevins - 1932, Andrew Blevins, Hillary Blevins - 1945, B. R. (Hooks) Holbrook - 1951, Roy Franklin - 1952, Dwight Gray - 1958, J. T. Pardue - 1966, Clinton Bailey - 1967, Larry Beaver - 1971, Herman Johnson - 1974, Lester Carsons - 1977, Bill Nicholson - 1978, Donald Blevins - 1984 and presently serving. Interim Pastors: Minter Blevins, J. T. Hendrix, John West and Gilbert Osborne.

Speaking of leadership, our minds wonder back to others not mentioned and of their dedication. We'll never forget the support of these men - J. A. Gilliam, Charlie Dancy, Cyrus Gambill and Glenn Dancy and the influence of the faithful pioneer women - Mattie Whitley, Dell Blevins, Bertha Gambill, Belva Gregory, Millie Pendry, Fonzy Yale, Bessie Dancy, and Nan Prevette. We remember numerous others space doesn't allow mentioning.

From the beginning of 16 members, we have grown to 241. With our love for God and for each other we, as those before us, will welcome all the tomorrows and "CONTINUE TO GROW TOGETHER WITH GOD."

HISTORY OF
ROCK SPRINGS BAPTIST CHURCH
1904 - 1987

Rock Springs Church was organized September 11, 1904. A Presbytery consisting of Elders: Grant Cothern, W. H. Key, W. G. Blevins, S. T. Brown. Deacons: L. B. Myers, S. V. Walker and J. S. Kilby, met September 11, 1904, in Rock Springs School House to organize a Baptist Church. Elder Grant Cothern was elected moderator and J. S. Kilby secretary, organizing a Baptist church consisting of: Deacons: S. B. Walker, J. A. Taylor, James Roberts, and E. H. Pruitt. Charter members: Rebecca Wagoner, Isabel Taylor, Polly Brooks, Phobe Jane Pruitt, and Candice Roberts. Articles of faith read and adopted. Prayer by Elder W. D. Blevins.

Doc Pruitt donated timber and the members helped cut and haul the logs for Shade Brown to saw. F. C. Hall and others hauled rocks from the Blue Ridge Mountain for the foundation.

The first pastors: Rev. W. H. Key, Andrew Blevins, Harrison Miller, and Elison Handy, took turns preaching every month for 16 years. The last charter member, Mrs. Isabella Taylor, passed away in 1958.

The first clerk was J. A. Taylor, who served in that position until a month prior to his death, May 1913. He attended each service from September 1904 to April 1913, and wrote the minutes for each service. He was the first deacon appointed. Later, E. E. Douglas was appointed and both were ordained on the same date.

In 1932 a new highway was built and the church had to be moved to the present location. D. S. Absher, father of Muncie Absher, donated the land to build a new church. A revival was held after completion and 19 were baptized.

Ordination of Brother Clive Taylor was held October, 1949.

In March 1951, the church voted to have Worship Services on the 2nd and 4th Sunday. First Homecoming was held on the 50th anniversary of the church in 1954, Rev. Watson Bryant in charge.

A Training Union was organized in 1961 and discontinued in 1969.

Brother J. E. Key was ordained to preach on June 10, 1961. Fulltime preaching services were started on November 18, 1962. Brother Wayne Blevins was ordained to preach January 1967.

Church property was surveyed for new construction February 1972. Under the leadership of Rev. Major Caudill a new building was constructed and completed in May, 1974. Dedication Service was held on May 26, 1974, followed by a series of fellowship services with a different former pastor conducting the services each night.

The annual Stone Mountain Association was held at the church, September 1974.

A plaque with the names of the first pastors, charter members and land doners was placed on the outside of the church in July 1974.

Groundbreaking ceremony was held May 8, 1986, for a classroom, restroom, and walk to help the handicapped. In August 1986 a library was set up in the church.

Brotherhood was organized and held its first meeting August 2, 1987.

The church has had as pastors as follows: Rev. W. H. Key, Rev. Andrew Blevins, Rev. Harrison Miller, Rev. Elsion Handy, Rev. Arthur Absher, Rev. Edd Hayes, Rev. Landreth Blevins, Rev. Otto Cleary, Rev. Monroe Dillard, Rev. E. E. Douglas, Rev. Ander Blevins, Rev. Wade Houck, Rev. Lester Johnson, Rev. Watson Bryant, Rev. Richard Byrd, Rev. Dean Dillard, Rev. Muncie Absher, Rev. Clifford Johnson, Rev. Michael Almond, Rev. J. E. Key, Rev. Major Caudill, and the present pastor, Rev. Billy M. Felts.

11th. The Robert's Rule of Order, newly revised shall be the guidelines for parlimentary procedure.

ARTICLES OF FAITH

1st. We believe in only one true and living God: Father, Son, and Holy Ghost, and these three are one.

2nd. We believe that the Scriptures of the Old and New Testaments are words of God, and the only rule of faith and practice.

3rd. We believe in the doctrine of election by grace.

4th. We believe in the doctrine of original sin, and in man's impotency to recover himself from the fallen state he is in by nature by his own free will and ability.

5th. We believe that sinners are called, converted and regenerated and sanctified by the Holy Spirit and that all who are thus regenerated and born again by the spirit of God shall never fall finally away.

6th. We believe that Baptism and the Lord's Supper are ordinances of Jesus Christ and that true believers are the only subject of these ordinances; and we believe the only true mode is by immersion.

7th. We believe in the resurrection of the dead and a general judgment, and that the joys of the righteous and the punishment of the wicked will be eternal.

8th. We believe that no Minister has the right to administer the ordinances of the Gospel except such as are regularly called and come under the imposition of hands by the Presbytery.

One good example of health and well being is that every church contributed to the financial work of the association. Another is that our Quarterly Meetings have been well attended.

BAPTIST LITERATURE REPORT

"Touching Lives" is the theme of my Baptist Literature Report this year. When we think of literature that has touched lives, we think of Shakespeare, Emily Dickinson, Elizabeth and Robert Browning and many others. Too many times we forget the writers of Baptist Literature who give us spiritual food of inspiration so that we can truly fulfill the plan of God.

The next time you pick up a quarterly, a Mission Journal, a Baptist Hymnal, a Biblical Recorder and any other Baptist Literature, take a look at the writers and thank God for these people who have touched your lives, through the written word.

Respectfully submitted,
Billy Felts

phase will be composed of 140 such units. In addition, 121 health care beds will be constructed along with common areas that will include parlors, dining room, stores, craft rooms, a chapel, an auditorium, a laundry, a wellness center, a library, etc.

Brookridge is for our institution literally a dream come true. It will double the number of older adults we can serve, and it will help us implement in a more effective way our mission to share the love of Christ with older adults through residential communities based on Christian love, concern and care for the individual.

MISSIONS COMMITTEE REPORT

The Missions Committee met twice during the year, March 1st and June 22nd. On March 1st, the Missions Committee met for the purpose of recommending a pastor for the Greenstreet Mountain Resort (The Church in the Wildwood). Rev. Dean Dillard was nominated.

On March 28th, Rev. Dillard, Rev. Paul Coffey, Missions Committee Chmn., and Rev. Howard Laney, Moderator, met with the committee at Greenstreet Mountain Resort. The committee was impressed with Rev. Dillard and asked that he preach for them March 29.

The Baptist State Convention of North Carolina granted $2,000.00 to Stone Mountain Association to employ Rev. Dillard from April 19th through September 6th.

The Missions Committee met on June 22nd and recommended that the 1987-88 Stone Mountain Association Annual be dedicated to Howard and Margie Laney.

NORTH CAROLINA STATE MISSIONS REPORT

Missions is God's love in action. Too often we think of missions as a distant object, something to be observed but not experienced. People close to us-very close to us-have needs that only caring action in the name of Jesus Christ can meet.

Each day, in thousands of ways, your gifts through the offering are at work in every corner of North Carolina...Through our prison ministries, through our camps at Caswell, Mundo Vista and Caraway, through our resort Ministries, planting a new church, apartment complex ministry, seminary extension, pastoral ministries, WMU, Baptist Men, Christian Higher Education and many other ministries.

This year it has been the privilege of Stone Mountain Baptist Association in cooperation with the Baptist State Convention to have a Resort Ministry at Greenstreet Mountain. Rev. Dean Dillard served as pastor of the church there March 29-September 6th. This ministry has been a blessing for him and the people.

"Changing Lives" is the theme of our State Mission Week of Prayer and Offering. That is what North Carolina Baptists have been about for over 150 years.

ORDINATION COMMITTEE REPORT

The Ordination Committee met on May 30, 1987, at the Association Office for the purpose of examining Van Lankford to the Gospel Ministry. The request for Van's ordination came from First Baptist Church, Wadesboro, N. C. He has been called to the church as Minister of Education and Youth. He began his ministry there June 1, 1987. Van's home church is Baptist Home.

The Committee asked questions concerning his conversion, his call to preach, and his Christian experience in general. Various questions were asked about his view of the Bible and of the mission of the church.

Upon completion of the examination, the Committee unanimously voted to recommend his ordination. The date of August 2, 1987, was set for this service. It was held at 4 p.m. at Baptist Home Baptist Church.

Members of Committee: Rev. Mike Wilkinson, Chm., Rev. Joel Blevins, Rev. Tommy Collins, Rev. David Key, Rev. Howard Laney, Moderator, and Mrs. Margie Laney, Director of Missions.

SUNDAY SCHOOL REPORT

The Sunday School is the Bible teaching arm of the church. Our aim is to use the Sunday School and its people to win these to faith in Jesus Christ.

One of the ways to have a growing and dynamic Sunday School is to have our teachers properly trained in Sunday School work. In 1987 the Sunday School Department of the Baptist State Convention has as its theme "Touch Lives - Change People." There are several opportunities for churches and individuals to receive this training: at the Ridgecrest Conference Center, September 18-19; Caraway Conference Center, September 25-26 and then October 2-3. These conferences begin about 6 p.m. on Friday and conclude at lunch on Saturday. There are age group conferences for people to receive the training for their particular area.

Our goal in the Association:

(1) Train our ASSIST Team (S. S. leaders in Association) how to lead in an associational workshop. This would be led by Phil Stone of our Sunday School Department. He would come to Association Office one evening and lead us in this session. A time and date will be announced...hopefully this fall.

(2) In the spring of 1988, we would like to have a Sunday School Leadership Workshop for our association. We would use our ASSIST Team from the association as well as state leaders.

We are thankful to God for Sunday School work in our association and pray that 1987-88 will be our best year yet.

REPORT ON BAPTIST CHILDREN'S HOMES OF N.C.

Four major emphases occurred during this exciting year at the Children's Homes:

1 - Reorganization of group care on the Mills Home Campus in order to more ef-

fectively deliver service to children and families. Intentionalized Services will focus on specific tasks - needed to help clients regain their ability to function in society.

2 - Moody Home Ministries, an intensive program of "friendship therapy" to troubled girls was opened in Macon County.

3 - The process of Long-Range Planning was begun.

4 - Partnership in cooperation with the WMU, Personal Evangelism, Baptist Men and Department of Aging have been both rewarding and exciting.

Quality service is given through our four group care campuses, eight emergency care homes, foster homes, the therapeutic camping program, child development center and maternity home.

UPDATE / HICKORY-LENOIR FAMILY SERVICES AREA

During the first six months of 1987, there has been a dramatic and consistent increase in the demand for the services of the Baptist Children's Homes of N. C. in the Hickory-Lenoir Area. These services cover eleven counties.

BAPTIST HOSPITAL REPORT

During the past year, Baptist Hospital admitted 22,973 patients for a total of 186,321 days of patient care. More than 1,000 of those patients had heart surgery and 27 received kidney transplants. During this period, the hospital also performed its first heart transplant and, as of June 1, 1987, has performed four successful heart transplants.

Approximately 1,000 persons with kidney stones have been treated with the lithotripter. The lithotripter has also been used to break up gallstones. Baptist Hospital is the first hospital in the United States to achieve this success.

The Air Care Program, described as "a flying emergency room staffed with highly trained pilots and flight nurses," continues to save lives and to contribute to more rapid and complete recovery for many victims of trauma. For example, Air Care made it possible for a man whose arm was severed in a haymowing accident to reach the hospital in time to have his arm reattached.

Baptist Hospital is one of less than a half dozen medical centers in the nation routinely transplanting living bone tissue. A woman underwent this rare procedure to correct an arthritic condition in her hip where her bone tissue had died. Bone tissue with its own blood supply was successfully transplanted from her lower legs to the upper end of the right femur.

In addition to those admitted to the hospital, 30,726 persons were seen in the outpatient clinics, 35,134 in the emergency department, and 196,556 in the Bowman Gray Department of Clinics. Also, 2,747 patients had outpatient surgery.

During the past year, the Pastoral Care Department has continued to provide pastoral services for hospital patients, pastoral counseling, clinical pastoral education, and human enrichment events.

GENERAL BOARD REPORT

Your representative to the Baptist State Convention via the General Board has been extremely busy this associational year. As chairman of the Church Programs Committee, it has been necessary to attend one or more meetings every month and to chair some of those meetings. Recently, your representative was appointed chairman of a select committee to do a long-range study of the Church Training Department. This is a statewide study and considerable time and energy has been and is being required in the carrying out of this assignment.

The in-depth study of the Church Training Department is due to no known deficiencies; rather to the importance assigned to this vital program. The following statements of in-depth studies made by professional researchers are so important to church health and growth that your representative recommends that the leadership of every church in our association study and digest these facts, keeping in mind that they are official statements from official research teams:

1. Southern Baptist pastors interested in increasing Sunday School enrollment, giving and baptisms in their churches may see results by trying an age-old solution--STARTING A CHURCH TRAINING PROGRAM.

2. Recent research shows that churches with church training programs have a higher percentage of Sunday School membership, a greater baptism rate, and give more dollars to convention causes than churches without church training.

3. Churches with strong training programs will experience growth in the other programs. Through church training, people are trained in discipleship, Baptist heritage and polity and church leadership roles.

4. Church training is foundational support for all other programs. You must build a church on knowledge; you can't build on shallow understanding.

CHRISTIAN HIGHER EDUCATION REPORT

There are six educational institutions supported financially by the Baptist State Convention: Campbell; Chowan; Gardner-Webb; Mars Hill; Meredith; and Wingate.

Wake Forest, our oldest school, has a continuing "fraternal and voluntary" relationship with North Carolina Baptists and the Council on Christian Higher Education.

One Baptist leader has said that Baptist colleges deserve the "Light Under the Bushel Award." He meant, of course, that many of the finest, most interesting stories about Baptist colleges are not widely known.

Everyone connects Baptist colleges and a superior experience in Christian education. Most would agree that there are other strong advantages for Baptist students who attend a North Carolina Baptist college. When young people and their parents are choosing a college together, there are some things to consider:

THE TIME: Life after high school is still a time for growing, maturing, learning and planning for a full life as an adult. Going to college in a Christian environment can make a world of difference for a lifetime. The first experiences after leaving home can shape a life forever.

THE SIZE: All of the Baptist colleges in North Carolina are small and manageable.

You can easily walk anywhere on campus. No one is overwhelmed by a "megaversity" environment. A new student, fresh from high school, does not get lost in the crowd. Classes are small. Teachers can know the names and faces of students, and are available to advise and counsel between classes.

A LASTING FAMILY: Many years after graduation, former students still visit and write letters to favorite professors. Cherished friends in college often remain friends for a lifetime. More often than not students will choose a husband or wife while on a college campus. These are only some of the advantages of a Baptist college community of caring people.

THE CALL TO CHRISTIAN SERVICE: In Baptist colleges the ideal of service to others remains strong in vocational planning. A sense of calling to a variety of service/leadership areas is emphasized, including church-related vocations. In a "me first" world, Baptist colleges are different in important ways.

PREPARING FOR LIFE: Christian education prepares students for making a living. But more importantly, Christian education is the best preparation for spending a life. An excellent, broad-based education provides a sound foundation for a person's last job, as well as the first.

COOPERATIVE PROGRAM REPORT

Southern Baptists are a fellowship of over 14,400,000 members in almost 37,000 churches in all fifty states. These millions of Southern Baptists work together in churches, associations, state conventions and the Southern Baptist Convention. Though they are marked by diversity, they are bound together in their cooperative endeavors by basic beliefs.

One of the most important developments in Southern Baptist life during the present century is the Cooperative Program. Prior to its appearance, churches made separate offerings to support various state and convention-wide causes. As benevolent enterprises multiplied, these designations sometimes neglected important areas of work. No agency could build a financially sound program.

The Cooperative Program was initiated in 1925 to help stabilize all of the demonination's work on both the state and convention-wide level.

Southern Baptist churches work together today through 1,218 associations, 37 state conventions and the Southern Baptist Convention to accomplish through voluntary cooperation far more than could ever be done alone.

WOMAN'S MISSIONARY UNION REPORT

VISION 88 approaches, and the association WMU officers are striving to help and encourage each church that does not have a WMU to begin one by May 14, 1988. Each leader for the groups: Baptist Women, Baptist Young Women, Acteens, G.A.'s, Mission Friends, and The Enlargement Director are available to assist Churches in

organizing one of the mission groups. They are also available to assist the Churches with WMU organizations.

On July 17 and 18, some of the leaders attended a workshop at Fruitland, while on August 1, 1987, most of the leaders attended the WMU workshop at Caraway Conference Center. At the workshops, the leaders gathered material and information to assist them in the training sessions for the different WMU organizations in our Churches.

On April 9, 1987, the annual session for the WMU was held at Mountain View Baptist Church. The featured speaker was Rev. Ellis Fulbright, Missions Director from Alexander's Association and former missionary assigned in Africa.

The WMU Council has met and made plans for their work in the association for the coming year. Make your plans to let us be a part of your work in WMU in the next year.

BAPTIST FOUNDATION REPORT

You might call Frank Neville handicapped. He spends most of his time in a wheelchair. But he denies that he is handicapped and, instead, has utilized his limited mobility as opportunity to witness. Frank has determined that he will never stop witnessing, and his financial and estate plans have been so prepared as to insure that he will always be a part of winning the lost to Christ. He transferred valuable land into trust with the Baptist Foundation. Until his death, he will receive income earned by the trust. After that time, all income will be paid to Carolina Baptist Association to be used for Spanish mission ministries; scholarships for youngsters to attend summer camp, for students studying for Christian vocations, and for persons going on volunteer mission trips; for training and resources for associational leadership; and for camp development.

Many local churches chose to use the Foundation as trustee for funds which they were holding for future needs. In cooperation with the State Convention, the Foundation established in the last year a credit line of $3,000,000 for church loans. The Board of Directors took action to implement recommendations of its study committee, resulting in addition to the staff of a director of administration to direct the church loan and student loan programs, as well as trust management. The board also approved construction of office facilities for the Foundation near the Baptist Building, with plans to begin construction in September, 1987.

In 1986, new trust agreements were prepared for 93 persons. Their gifts to initiate these trusts totaled $1,181,288. Assets of the Foundation have increased to more than $13,000,000. These dollars are expressions of concern made by Baptist stewards. They are the very same persons who, like Frank Neville, witness and give daily, that the lost, the needy, the hurting people of the world might know Jesus.

BROTHERHOOD REPORT

1986-87 has been a good year for Brotherhood in the Stone Mountain Association. We always want to give God the credit for any good we have accomplished.

We have experienced growth in Brotherhood again this year and are thankful for the churches that have started new Brotherhood programs in them.

We are grateful for the hard work that has been done by many men, boys and leaders in the Stone Mountain Association.

In October of 1987 the Brotherhood organization of North Carolina will be undergoing some organizational changes. These changes will reorganize the present Brotherhood program into one with more compatible age groups. New materials will also be available for these new age groups.

These changes have one goal in mind. That is to get more men and boys involved in the work of the Lord. Along with this, they will also be studying, praying and getting involved more in mission work themselves.

As we look toward the dawning of a new year, our prayer is that all the men and boys of the Stone Mountain Association will let God work in them and through them to glorify Christ's Name.

In 1986-87 Brotherhood promoted and/or participated in the following activities:

DATE	EVENT	NO. CHURCHES REPRESENTED	TOTAL PARTICIPATING
11/ 1/87	Pinewood Derby	8	69 RA's-22 Leaders

ANNUITY BOARD REPORT

Would you believe the average annuitant in North Carolina receives only $196 per month? Did you know that even after more than seventy years of opportunity to provide retirement planning for its ministers, only 58% of our churches participate? The truth is more than 42% of the North Carolina churches do not participate since many pastors of churches included in the first percentage have to make their own contributions!

Beyond that, there are still 439 churches in North Carolina who contribute only

$33.34 per month, or $400 per year (10% of a $4000 per year salary and housing, an Annuity Board plan devised in 1938). With this in mind, it is easily understood why...211 annuitants receive less than $50 per month, 607 receive less than $100 month, and 1321 receive less than $300 per month.

Ministers have been reluctant to speak out about the matter for fear of being thought mercenary, and lay people often have not known of the tremendous need. It is time we brought retirement planning for our ministers out of the closet!

The Expanded Church Annuity Plan deserves your attention and your best support. Every church needs to have a PLAN to protect it and its minister. You can help by encouraging your church to sign the Agreement to participate in the plan and send it in now. The important thing is that the church has a plan it intends to follow no matter who may become its pastor.

You can see from the chart that ideally the minister will contribute up to 5% of salary and housing while the church ideally will contribute up to 10% of salary and housing. These contributions will go into one of four funds designated by the minister. The Baptist State Convention will match one dollar for each three dollars contributed by either the minister or the church up to $420 per year. The first $17.50 per month of the Baptist State Convention's contribution will go to buy the Protection Section, a death and disability benefit, with the remainder up to $35 per month or $420 per year going into the member's own fund(s).

The Expanded Church Annuity Plan has been designed to help you help your minister and church face the future with assurance. If we can assist you in any way, please call Jim Lambert at 1-800-222-8478.

CHURCH TRAINING REPORT

This has been a busy year in associational Church Training work with four main events during the year. We began the new year with the "M" Night session at Baptist Home Church November 24th. Five churches were represented with a total attendance of 70. Roaring Gap squeaked by Mountain Valley by only one to take home the attendance banner. Special music was by the Peace Haven Quintet followed by Rev. Paul Coffey speaking on the theme of Sovereignty and Stewardship.

Traphill Church was the place for our Youth Night hot dog supper March 14th. Galen Johnson from Mountain Valley spoke on "Youth Talents for Christ". Lori Walker of Haymeadow and Chris Baker of Roaring Gap gave testimonies. Sandra

Blevins and Rev. Cameron Currin led the games. It was decided this must be repeated soon.

Fifteen children participated in the Children's Bible Drill April 25th at Fairplains Church. All went on to win the state tournament. They are as follows: Fairplains-Laura Elledge, Cheryl Warren, Nathan Ward, Melinda Elledge, Eric Thanos, and Lori Shores; Baptist Home-Daniel Call, Brett Elledge, Michael Lockhart, Marian Shumate, Chris Stone, and Mark Wilkinson; Roaring Gap-Garron Billings, Shannon Billings, and Toby Billings. Karen Elledge from Baptist Home Church participated in the church, association, district, and state Youth Bible Drill Tournaments winning all four. Melissa Call from Baptist Home gave a winning speech going on to place second in the district. I hope next year more churches will take advantage of this great training opportunity for their children and youth.

Twenty-three youth and nine adults enjoyed Youth Camp in July at Ashe Baptist Camp. Sandra Blevins, Rev. Cameron Currin, and Mrs. Margie Laney led a program that had the youth ready to go again next year.

The associational year has been full but the main work has been by the churches week after week. I wish to thank the directors, teachers, and other officers as they lead the Church Training program in their church.

TRAIN - It is the Christ-like thing to do.

EVANGELISM REPORT

We give special thanks to God for every soul and every life touched through the work of the churches in our association this year. While we are never satisfied, every soul is a cause for rejoicing, a precious treasure upon which no price can be laid. We forever face the challenge to reach the lost and to obey the command Jesus gave to"go and teach".

We close the associational year with great visions for the future. Plans are now made for an Area Crusade at North High, August 14-19, 1988, with preparations to include a lay evangelism school and witness training. I urge everyone to saturate these endeavors in fervent prayer for without a mighty outpouring of God's spirit and blessing, they will never be anything but plans.

May God bless each church and each laborer as we work together in God's vineyard.

Tim Pruitt, Chairman

CHRISTIAN ACTION LEAGUE REPORT

For the first time in North Carolina's history, the General Assembly did not adjourn until August 14th. This was due to the rash of liquor bills along with gambling initiatives.

A major victory can be claimed by the defeat of the statewide lottery proposal. With opposition to the proposal coming from Governor James G. Martin, Lt. Governor Robert B. Jordan, and House Speaker Liston B. Ramsey, the bill died in a Senate Committee.

However, this did not stop the gambling industry. A pari-mutuel gambling bill, Senate Bill 732, is still alive. It was held over to the 1988 legislative session. This proposal will open the door for horse and dog gambling tracks. Each association is asked to pass a resolution opposing this bill. Send copies to Governor James G. Martin, Lt. Governor Robert B. Jordan, III, and to your State House and Senate members.

With the help of the North Carolina Supreme Court we have been able to reduce the pornography outlets in North Carolina from 750 to less than 50.

The Christian Action League not only has been on the "firing line" during this legislative session, they have assisted in successful campaigns involving liquor, beer and wine referendums.

VACATION BIBLE SCHOOL

VACATION BIBLE SCHOOL! These are exciting words to pupils and teachers alike. VBS can have a great evangelistic impact on our churches.

Our associational VBS team attended the State Clinic in Lenoir to receive training to train our church leaders. We had 23 of our people to attend the Early Bird Clinic and 81 to attend the regular Clinic to receive the training. Twelve of our pastors attended these clinics.

Some important dates to remember in 1988: EARLY BIRD VBS CLINIC, March 21

DEDICATION TO MISS ALICE BILLINGS

Stone Mountain Association is blessed with many dedicated laypersons. Among these is Miss Alice Billings to whom we would like to dedicate this annual.

Alice accepted Christ as her Saviour at an early age and joined Mount Pisgah Baptist Church in 1933 where she has continued to be a member except for five years when she was a member of First Baptist Church of Washington, D.C.

Schools that Alice attended were: Traphill High School, Brevard College and Woman's College of N.C.

Alice taught at Lowell High School. While at Lowell, she taught a Junior Sunday School Class at Lowell Baptist Church and helped in VBS.

Serving her Lord through Mount Pisgah Church: Alice has taught the youth class for 33 years. Her concern for these young people extended beyond the classroom - their needs were her needs; served as treasurer since the fall of 1965; directed Christmas programs for many years; served as youth teacher in VBS; following the examples of her mother, aunt and grandmother before her, Alice places fresh flowers from her garden in the church each Sunday.

Alice has always been proud that Mount Pisgah Church is a charter member of the association and has supported it in many ways. She is a strong supporter of and attends our Christian Training Classes. She has been a big help in taking the young people to the associational functions. She is also a strong supporter of missions.

Alice is a dedicated Christian who can work behind the scene in supportive roles as well as in the limelight. She doesn't want praise for anything she does for her Lord. Thank you, Alice, for your love and Christian influence.

DEDICATION TO REV. PAUL COFFEY

Stone Mountain Baptist Association and Roaring Gap Baptist Church were blessed by the ministry of Rev. Paul Coffey for 10 years, 1978 - July, 1988.

Rev. Coffey attended Mtn. View High School and Fruitland Baptist Institute. He completed 23 Seminary Extension Courses.

He married Dorothy Blevins in 1956. To this union was born one daughter, Shelia Coffey Storey, of Marietta, Georgia.

Before entering the Gospel Ministry, Rev. Coffey served as a deacon in Maple Grove Baptist Church. He served as Deacon Chairman, Training Union Director and Building Committee Chairman.

Rev. Coffey not only served in the church but he also served in the community. He served as Scout Master of Mountain View Boys Scout Troop and was a volunteer fireman. For four years he served his country in the Air Force.

Rev. Coffey was ordained into the Gospel Ministry by Maple Grove Baptist Church in 1970. He served as a Pioneer Mission Pastor in Northeast Ohio for eight years: Salem Baptist Church, Salem, Ohio (1970-72); Masury Baptist Church (1972-1977); and served as Pastor of Second St. Baptist Church, Marion, Kentucky for 2 years.

While serving as Mission Pastor, Rev. Coffey served as a part-time Hospital Chaplain and a volunteer Junior High School Counselor in Masury, Ohio. He was a participant in Missions Conferences in Mississippi, Kentucky, Georgia and North Carolina.

Rev. Coffey has been a strong supporter of the association in Ohio and Stone Mountain. He has served as: Vice Moderator, Sunday School Director, Missions Committee Chairman, Finance Committee Chairman and on various other committees. He taught Seminary Extension Classes.

Rev. Coffey accepted the pastorate of Roaring Gap Baptist Church in 1978. He served as a faithful pastor and preacher for ten years.

In July, 1988, Rev. Coffey resigned as pastor of Roaring Gap and has accepted the pastorate of Trinity Baptist Church in Ashe Baptist Association.

Mrs. Coffey has always stood by her husband and supported him as a worker in the churches he has served.

Stone Mountain Association expresses appreciation for services rendered and offers best wishes for the Coffeys in the future.

HISTORY OF
FAIRPLAINS BAPTIST CHURCH

Fairplains Baptist Church evolved from a Mission Sunday School established in thi area in 1897 by Rev. W. R. Bradshaw, Dock Andrews, F. T. Myers, and Walter Horton

all members of the First Baptist Church of North Wilkesboro, the Mother Church. In September, 1902, the Mission, after being moved from the old Fairplains School building to a store building at the intersection of the Mountain View Road and Highway 18, was moved to its present location and constituted into a church on Saturday, September 20, 1902, with twenty-one charter members. There were also eight persons as charter members by experience as candidates for baptism. After the constitution ceremony, the church was called into conference and Rev. Grant Cothren was elected its first pastor.

The church was given the name First Missionary Baptist Church of Fairplains and the Articles of Faith and Church Covenant were adopted. On Sunday morning, September 21, 1902, the first baptismal service was held, followed by a church vote to become a member of the Stone Mountain Missionary Baptist Association.

Under the leadership of Rev. H. R. Hix, the first church building was erected in 1903. The First Baptist Church of North Wilkesboro donated the church bell. This orginal bell was re-installed in the steeple erected in 1983. On April 17, 1921, the name of the church was changed to Fairplains Baptist Church. At this time, the sanctuary was completed and the dedication service was held February 18, 1921. During the ministries of Rev. S. L. Blevins, 1928-34, and Rev. A. E. Watts, 1934-38, the church grew considerably and additional classroom space became a necessity. In 1936, rooms were added on either side of the sanctuary and new pews were purchased. Again in 1944, additional Sunday School rooms were constructed.

The 1950's brought much progress to Fairplains Baptist Church. In 1950, the church organized a Baptist Training Union. In 1956, under the leadership of Rev. Wayne Hendren, the old church building was razed and a new brick building erected on the site. This building was dedicated June 30, 1957. In 1958, the church adopted a church budget and full-time status. In 1965, the rotating deacon system was adopted.

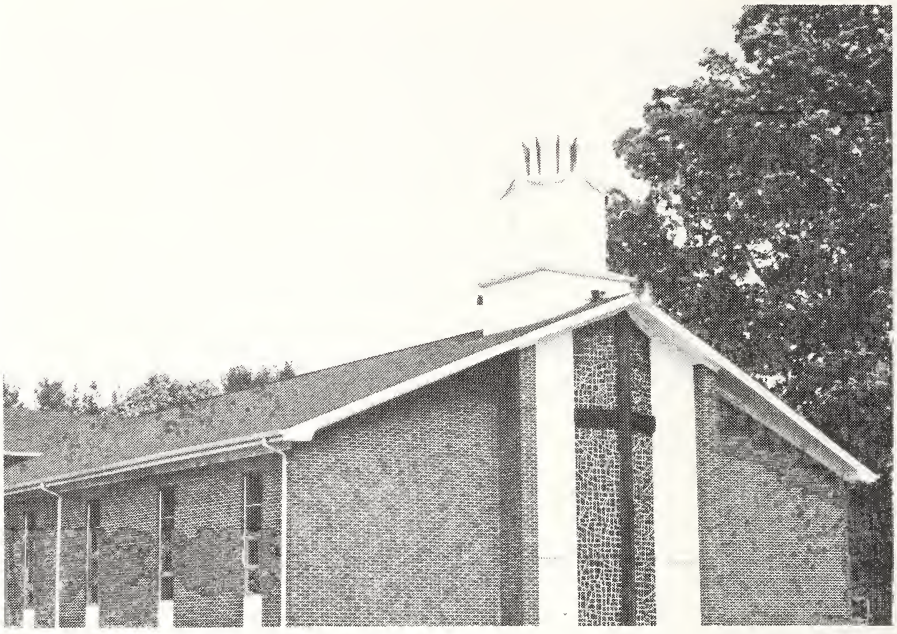
During the 1960's and 1970's many accomplishments were realized: A new pastorium was built, choir robes were purchased, Director of Music and Education employed, church office with regular office hours set up, bus ministry begun, Children's Church organized, and many others too numerous to mention.

In February, 1974, the construction of the Bumgarner-Gambill Educational Building was begun. The structure was completed and dedicated on November 10, 1974.

Rev. Howard Laney assumed the pastorate April 10, 1977, and under his very capable, inspirational leadership, the church is continuing to grow and prosper. During the last quarter of 1982, the sanctuary was completely renovated and new pews and choir robes were purchased. The existing parking lot has been newly paved with additional parking space added. Since that time a portico has been added, the front of the church and basement have been renovated. Mrs. Margie Laney, wife of Rev. Howard Laney, is Director of Missions of the Stone Mountain Missionary Baptist Association.

Rev. Laney resigned as Pastor of Fairplains Church effective September 30, 1988.

God has been able to accomplish much through the combined efforts of good pastors and Christian church members working together in Fairplains Baptist Church.



HISTORY OF MOUNTAIN VIEW BAPTIST CHURCH 1913 - 1988

Mountain View Baptist Church at Hays, North Carolina was organized in 1913 when Bethel Church gave off eight members while Walnut Grove Baptist Church contributed three members for the purpose of establishing a Baptist church in the community known by many as Mountain View. From the Bethel Church came Mr. and Mrs. Joe P. Elledge and their daughter, Laura; Mr. and Mrs. Charlie Dearman and their son, Dewitt; and Mr. and Mrs. Sherman Elledge. Walnut Grove Baptist Church contributed Rev. and Mrs. J. Andrew Blevins and their son, C. Clarence Blevins. These eleven Christians--six men and five women--became charter members of Mountain View Baptist Church as confirmed by official church records. Laura (Elledge) Billings remains as the only surviving charter member to date.

Worship services were held in temporary facilities for the first seven years of the church's existence. The first temporary building in which worship services were held was a green store building which stood immediately adjacent to our present church sanctuary. Sunday School training was, and always has been, an integral part of the worship program. A grant by the Baptist State Convention, applied for June 3, 1920 by the body of Deacons was received and trustees Joe P. Elledge, J. S. Kilby and W. D. Woodruff supervised the construction of the first permanent building. This facility consisted of a sanctuary surrounded by several Sunday School rooms. Worship services were held in this building until April 20, 1980 at which time the church authorized the dismantling of this structure, which had served as the church home of the membership for sixty years.

Mr. Fred McCall, Associational Music Director, led the opening hymn, "Praise Him, Praise Him", with Mrs. Nona Blevins at the piano.

Welcome and devotion was by Rev. Howard Laney, host pastor. The devotion was from I Corinthians 12:12; "For the body is one, and hath many members, and all the members of that one body, being many, are one body, so also is Christ". Rev. Laney closed the devotion with prayer.

Mr. Wayne Reavis, Program Chairman, made a motion that the printed program be adopted. A second was received to the motion.

After the adoption of the program, Mrs. Faye Zimmerman, Associational clerk, called the roll of Churches. All twenty-three churches were represented with a total of sixty-six messengers, eighteen alternates and thirty-eight visitors for a total of one hundred twenty-two.

The Nominating Committee, Time, Place and Preacher Committee, and the Resolutions Committee were appinted by the Moderator as provided in the Constitution (see directory for names).

The Vice-Moderator, Rev. John Robbins, then recognized all new pastors in the association: Rev. Lonnie Brown, Elk Spur Baptist; Rev. Harvey Clark, Mountain Valley Baptist; and Rev. Bobby Brown, Pine View Baptist (Rev. Bobby Brown was not present).

Mrs. Margie Laney, Director of Missions, gave a report on the "Brazil Partnership". A two-week mission work in Brazil through the Stone Mountain Association or join with another association.

For the Moderator's address, Rev. Howard Laney, chose to give a report on the "Baptist Church Incorporation in North Carolina"; issues and guidelines in getting away from losing the church.

Rev. John Robbins introduced Rev. Charles Tanner, Director of Church/Community Relations.

The congregation joined in singing another hymn, "Send the Light", led by Mr. Fred McCall.

Dr. Jo Hendrix, Associational W.M.U. Director, introduced Miss Nancy Curtis, W.M.U. representative from the Baptist State Convention.

Prayer of thanksgiving was by Rev. Tommy Collins.

Beginning of the evening service, the hymn, "At Calvary", was led by Mrs. Fred McCall, with Mrs. Nona Blevins at the piano.

Mrs. Margie Laney, Director of Missions, made seventy visits to churches within the association, seventy-two associational meetings and ten meetings outside the association during 1987-88. Mrs. Laney chose to use Ecclesiastes 9:10 as reference. Mrs. Laney said, "your greatest ability is availability" and "commitment is a much needed quality".

The special music was by the "New Beginnings".

The annual sermon was by Rev. Bill Pruitt. The reference was from Isaiah 48:18; "Hearkened to my commandments! then had thy peace been as a river and thy righteousness as the waves of the sea".

The closing prayer was by Rev. Billy Felts.

The Overview of Church Growth was by Rev. Richard Smith, from the Baptist State Convention. Rev. Smith said, "to reach, teach and share the Word of God with every age group. We must feed the people, not only from the pulpit, but in Sunday School also. And we need to ACT, not just RE-ACT".

Christian Family Life was by Rev. W. Douglas Cole, from the Baptist State Convention. "We need a stronger family life".

Mr. Fred McCall led the congregation in another hymn. The message was by Rev. Hobert Key. His reference was from Matthew 5:13-16. "Strengthening of the Laity--A Spiritual Necessity. We are to be the light of the world. Show God in our life--someone somewhere is watching our walk. We must show the world what God is like, what we think of our church and show joy in our salvation."

The benediction and prayer of thanksgiving was by Rev. Harvey Clark.

RESOLUTIONS COMMITTEE REPORT

2. To the Program Committee for their time and planning of an excellent program.
3. To Mrs. Margie Laney for her leadership as the Director of Missions for the past five years.
4. To the Moderator, and all the associational officers who have given their time and service to make our Association stronger.
5. To the host churches, Fairplains and Mountain View for opening their doors to their gracious hospitality and delicious meals.
6. To the guest speakers, the special singers, the music director and pianist.
7. To everyone who has so faithfully given their time to serve as servants of God.
8. To each church for making the attendance of the Ninety-Second Session 100 percent.

Whereas, the Ninety Second Annual Session of the Stone Mountain Baptist Association is drawing to a close, we resolve therefore to return to our churches with a commitment to "strengthening the laity, a spiritual necessity."

MODERATOR'S REPORT

There are some weak points in our Association that we would do well to strengthen. On the other hand, the strong points out number the weak ones, so I want to emphasize some of these.

We have some strong churches in our Association. I do not mean necessarily strong in numbers. We have many churches with less than one hundred (100) members in attendance. Many of these churches are strong...strong in doctrine, holding to the Baptist doctrine that Baptists have thrived on down through the years.

These churches are strong in missions, supporting missions in the local church, the Association, the State Convention and the Southern Baptist Convention.

The great principles that grow great Christians grow great churches, living for others and serving them.

Your love for missions will keep you a great church, though you may be few in numbers.

Thank you for your support of the Association.

It's been a year of larger number of people in our clinics, more children in VBS, many more souls saved. We praise the Lord for this good year.

It has been my pleasure to work with the Associational VBS Team and all the leaders and pastors this year. Your support and co-operation has helped my job to be a happy one. Thanks to everyone who helped in any way in VBS this year. I really appreciate you. May the Lord bless you all extra good for all you did to serve Him through VBS.

Let's start looking forward to and praying for an even greater VBS in 1989.

NORTH CAROLINA BAPTIST HOSPITAL REPORT

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina. The $140 million project has seen the completion of a four-story MRI building, the completion of a six-story addition to its research building, the completion of an addition to the power plant, completion of additional parking space, the near completion of a fifteen-story patient tower, and the beginning of a new clinical services building.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year 22,085 patients were admitted. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. During the past fiscal year, Baptist Hospital received $659,062 through the Cooperative Program and $290,585 through the Homes and Hospital Offering.

CHRISTIAN TRAINING CLASS

Through the Christian Training Classes, pastors, church staff members, and lay persons get a chance to learn and apply Biblical insights and practical approaches to ministry. Stone Mountain Association was one of almost 400 centers all across the United States offering these opportunities last year.

A total of 25 persons enrolled in the study of Hebrews this year. Classes met each Tuesday evening at the association office for nine weeks. Rev. John Robbins taught the book.

In 1989 we are planning to offer 2 classes...one to begin January 3--February 28. We will be studying the book of Romans. Rev. John Robbins will be the teacher and the cost will be $12.50.

Plans are being made to have a class September 19--October 14, 1989.

It is the prayer of this committee that more people will have a desire to increase their knowledge through this study.

BROTHERHOOD REPORT

As another year has come and gone it is always good to look back and count our blessings of the past year. As always God has blessed us greatly this year.

We haven't grown so much in terms of numbers but we, as a whole, have grown in love and appreciation for each other. Brotherly love is always a great asset to the association, local church and individual Christian.

The Brotherhood organization is a missions minded program designed to reach out and touch others for Christ. While doing this, men and boys also experience personal growth as Christians.

We would like to thank each of our men and boys for their hard work in the churches, community and association this year.

As we look forward to the coming year our hopes are that none of us will give up the fight but press onward for the cause of Christ.

In 1987-1988 Brotherhood promoted and/or participated in the following activities.

DATE	EVENT	NO. CHURCHES REPRESENTED	TOTAL PARTICIPATING
9/8/87	Brotherhood Workshop	4	8
11/7/87	Pinewood Derby	9	100

SUNDAY SCHOOL REPORT

The Sunday School is a vital part of any church program. Our goal in Stone Mountain Association is to have an effective Sunday School in each church.

Our Associational Sunday School Workers (ASSIST Team) went to Ridgecrest, February 12-13 for training in Sunday School work. This team is ready to help your church have an effective Sunday School program.

We had an Associational Sunday School Workshop on Thursday, September 8, from 7:00-8:30 p.m., at Baptist Home Church. This meeting covered basic Sunday School work.

Remember that there are training opportunities for your church at Ridgecrest and Caraway Conference Center in the fall.

If the ASSIST Team can be of help to your church, please feel free to call upon us.

BAPTIST CHILDREN'S HOME REPORT

A major thrust beyond the quality child care this year was the completion of Long Range Plans. To continue being bold in child care, the staff and trustees of the Children's Homes have accepted several challenges:

1 - To add two emergency care homes - another one on the Kennedy Home Campus and one where the need is greatest.

2 - The Cameron Boys Camp will be expanded to care for 50 boys.

3 - Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of the children have had little or no spiritual training prior to going to the Children's Home. Seventy-nine were baptized into the family of God last year.

To meet the challenges and continue the current ministry to children, we must increase our offerings to the Cooperative Program and the Homes & Hospital Offering.

Respectfully submitted
James Byrd, Children's Home Rep.

COOPERATIVE PROGRAM REPORT

The Cooperative Program of the Southern Baptist Convention is the finest means we have to share the Gospel of Jesus Christ around the world. I am proud that our denomination has provided a way in which all Southern Baptists, over fourteen million strong, can "Go ye therefore and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to do whatsoever I have commanded you." (Matthew 28:19-20a)

Around the world, Southern Baptists support the work of more than 3700 missionaries in approximately 110 countries. Every continent has felt Southern Baptists concern as more than 50 percent of the SBC Cooperative Program income goes to support foreign missions.

Through the Cooperative Program every member of a Baptist church can minister around the world every week. As a Christian and a member of a Baptist church, you will want to consider all the important steps toward fulfilling your vital role in support of the Cooperative Program. The first thing you can do is to commit yourself anew to Christ and His Great Commission.

Arthur Fincannon

EVANGELISM REPORT

During the past year, our Convention held the usual events in evangelism. The Evangelism Conference and the Youth Evangelistic Crusade were inspiring meetings and churches were urged to participate in these events.

Our focus for the past year has been the North Wilkes Area Crusade, August 14-19, with Dr. Robert Hamblin and Craig Little. As preparations for the Crusade, a Discipleship Seminar and Counselor Training were held. Our rallies, meetings, and Crusade Services were well attended, and we thank God for the souls saved, rededications made, and for the 2 that surrendered their lives to the ministry during our Crusade.

A special thanks to the following Steering Committee Chairpersons & their committees who worked so hard:

Rev. John Robbins, Discipleship
Rev. Mike Wilkinson, Operation Andrew
Wayne Reavis, Publicity

Rev. David Key, Attendance
Rev. Cameron Currin, Youth Involvement
Rev. Donald Blevins, Prayer Lift
Lester Blackwelder, Telephone
Rick Shores, Finance
Fred McCall, Music
Rev. Joel Blevins, Arrangements
Rev. Timothy Coy Pruitt, Ushers

Also, thanks to the churches for their support. God bless each of you.

Respectfully submitted,
Tim Pruitt, Chairman

BAPTIST LITERATURE REPORT

It's time to talk about Baptist literature. This year I would like to put special emphasis on the booklets called Survival Kit. When you travel you always try to take that which would be necessary for survival. You ladies would never forget your lipstick, and you men would never forget your razor. Sometimes when we travel we do, however, forget the map and find ourselves in trouble. The Survival Kit is for all those that are beginning on their new journey for Jesus Christ. Years ago, it seemed that we were more concerned with numbers in our churches than we were with true salvation and teaching the word of God. The Survival Kit is for all ages, and a great help in pointing the new or old Christian in the right direction.

I believe, as the years go, this has been one of the best for Baptist literature. Take time this year to read some of the many helps that are available.

IN MEMORIUM

It is our loving, albeit sad, responsibility to pay respect to those who have departed this earthly existence during the associational year.

We are reminded of Jesus' reaction to the death of His beloved friend, Lazarus. Mary was weeping. The Jews who were present to comfort Martha and Mary were weeping, and ... "He groaned in the spirit, and was troubled, and said, 'Where have ye laid him?' They said to Him, Lord, come and see. And Jesus wept." (John 11:33b-35).

How comforting it is to know within our souls that our Savior realizes our loss and our tears. How comforting it is to know the gain that these precious souls have attained, who are now with our Heavenly Father. "In thy presence is fulness of joy; at thy right hand there are pleasures for evermore" (Psa. 16:11).

"Heaven
Think of--
Stepping on shore, and finding it Heaven!
Of taking hold of a hand, and finding it God's hand.
Of breathing a new air, and finding it celestial air.
Of feeling invigorated, and finding it immortality.

Of passing from storm to tempest to an unbroken calm.
Of waking up, and finding it home''. --Anonymous

REPORT ON BATPIST RETIREMENT HOMES OF N.C.

The foundation of this ministry is based in the Gospel of Jesus Christ, for in the Gospel is a message of healing and wholeness. The Homes believe this message offers Older Adults the meaning, purpose and dignity needed to enrich their lives.

Older Adults have differing needs and the level of care for any single individual necessarily changes as time passes. It is for this reason that the Homes offer independent living in an apartment setting, personal care for those who require some assistance with daily living, and two levels of nursing care.

In 1988 the Homes received a grant from the Mary Reynolds Babcock Foundation to study feasibility of establishing a volunteer-based home care program that will enable frail Older Adults to continue to live independently in their home with some assistance.

The Homes believe the ability to remain in one's own home as long as possible can benefit Older Adults.

The fastest growing segment of North Carolina Baptist life is the Older Adult population. The needs for residential living opportunities on all levels (from independent living to nursing care) grow as the population does. A large number of Baptist Older Adults cannot afford the cost of that care.

MUSIC REPORT

Our Crusade Choir did a great job, as did our pianist and all those who were involved in the additional musical presentations. A great amount of extra effort, time,

and practice by everyone involved helped to create a reverant atmosphere.

A special thank you to all involved for all you did to make our Crusade Choir so successful!

We would also like to acknowledge and thank those who have provided our association with the excellent music for our quarterly and yearly meetings. You were an inspiration to all who attended.

CHRISTIAN ACTION LEAGUE REPORT

The ministry of Applied Christianity needs committed Christians to "stand in the gap" for the cause of moral and civic righteousness.

GAMBLING--The greatest push ever for legalized gambling stands on the horizon. We have seen neighboring states like Virginia (lottery), Tennessee (pari-mutuel gambling), etc. to approve gambling initiatives due to the silence of the church.

The pro-gambling industry has hired lobbyists already on the scene garnering support for the 1989 legislative session. The fate of this issue will be decided on November 8, 1988, when voters go to the polls and elect their legislative leaders along with other key officials. Responsible Christian citizenship implies more than just voting but to be an informed voter. Billy Sunday put it this way: "The only thing worse than an empty voting booth is an empty head in a voting booth."

DRUNK DRIVING--Efforts will also continue in the area of alcohol, drunk driving, and other drugs. We are grateful for the passage of legislation creating a 0.04 blood alcohol level for drivers of commercial vehicles (trucks and buses). This becomes the strictest in the nation. Other vehicles have a 0.10 standard.

ABORTION--The issue of parental consent continues to be debated. The U.S. Supreme Court has upheld the rights of states to require parental consent before an abortion is performed on a minor. Attempts to pass such legislation in N.C. have met with legislative "foot-dragging." Such bills get channeled into hostile committees where they die. A school teacher cannot even give a student an aspirin without parental consent, but a minor can be taken to an abortion clinic without the parent's knowledge much less consent.

The cause of applied Christianity calls for our vigilance and commitment.

Respectfully committed

BAPTIST FOUNDATION REPORT

Many people have a desire to contribute to the Lottie Moon Christmas Offering and

other Baptist causes even after their death. The Baptist Foundation has several plans that makes this possible.

One such person was Montagress Mercer. It was her wish that "Lottie" should have her farm. To accomplish that she deeded her farm to the Foundation but she retained all benefits from it as long as she lived. She died this Spring but the income from her trust will be paid forever to the Lottie Moon Offering.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. Sometimes, a person only wishes to make a modest gift in trust for one specific cause.

The Baptist Foundation added 62 new trust funds to its number in 1987. Gifts to trust increased its holdings to a record $14,452,258. Trusts already in place provided $578,697 in support of Baptist causes.

GENERAL BOARD REPORT

The General Board is made up of 107 people from the 79 associations and 10 geographical regions in N.C. The convention president, the first and second vice-presidents, the Woman's Missionary Union president, and the State Baptist Men's president are the voting ex officio members of the board. The non-voting ex officio members include the Executive Director-Treasurer, the Recording Secretary, and the N.C. members of the Executive Committee of the Southern Baptist Convention.

The General Board members have a wide range of responsibility for the Convention. The General Board is the Convention between annual meetings of the Convention. The Board meets three times a year (January, May and September).

My first year's work began on January, 1988. At this first meeting, I was elected to serve on the Executive Committee. The Executive Committee is the General Board between sessions of the General Board Meetings. The Executive Committee meets monthly, except February, June and October. The Executive Committee acts for the General Board and serves as the Convention's policy and planning committee. The Executive Committee is composed of 20 members.

As a member of the General Board and the Executive Committee, I have been placed on the Youth and Campus Ministry Committee and on the Constitution and the Bylaws Committee of the Convention.

Since January, I have attended two General Board meetings, five Executive Committee meetings, two Youth and Campus Ministries meetings, and two Constitution and Bylaws committee meetings.

WOMAN'S MISSIONARY UNION REPORT

The past year's emphasis was on missions and being committed to missions. During this past church year we celebrated WMU's first 100 years. The celebration was climaxed with a three day celebration at Richmond, Virginia, on May 13-15, 1988. Over 11,000 people attended from different states throughout the United States, in-

cluding Hawaii. Women came from Panama and Puerto Rico. From our association, three people attended. They were the Director of Missions, the WMU Director and the G.A. Director.

On March 24, 1988, the annual session for the WMU was held at Baptist Home Church. Peggy Smith, missionary from Brazil, was the guest speaker.

The leaders of the associational WMU attended a training session either at Fruitland or at Caraway Conference Center during July 22, 23 or July 30, 1988. They received training in working with the different age levels of WMU. These leaders are available to assist in organizing and in providing resources and services to strengthen the WMU in your church.

NORTH CAROLINA MISSIONS

CHANGING LIVES THROUGH STATE MISSIONS is the theme of our Week of Prayer for State Missions - and that is what North Carolina Baptists are striving to do through praying and giving.

North Carolina is a state with many churches. Southern Baptists have 3500 churches across this state. However, even with this number, about one half of our state does not belong to a church of any kind.

Through thirteen different kinds of ministries, N.C. Baptist Men are challenging all men to find their God-given gifts and use them for His service. Through such ministries as working with prison inmates, disaster relief, building mission churches, and others, men are finding their place in God's service.

In North Carolina, Baptists have seven colleges in various locations. Over 10,000 students attend these colleges which provide guidance and stability to their life. Around 70 percent of all students on the campuses receive some type of financial aid.

North Carolina Baptist Assembly at Fort Caswell will receive funds for capital improvements (15 percent) and renovation of existing facilities (6.7 percent) in the 1988 State Missions Offering.

The Baptist State Convention has a special arrangement with associations whereby an amount equal to 10 percent of that given by the churches of the association will be returned to the respective association.

CHRISTIAN HIGHER EDUCATION REPORT

What Is A Baptist College?

First, Baptist colleges are **colleges**, places where teaching and learning take place.

During 1987-88 almost 18,000 students and more than 1300 faculty members worked at the task of making your Baptist colleges good colleges. A college cannot be a church any more than a church can be a college. Christian education of church and community leaders is the task your colleges gladly undertake.

Second, the word **"Baptist"** tells what kind of colleges they are. Baptists began them all, provide financial support for them, and send their young people to them for a good education in a Christian environment. These colleges are special places where lives are changed and where life commitments come into focus for students.

Third, Baptist colleges are partners with the churches in missions. Each year there are many Baptist groups which are hosted and cared for by the seven Baptist colleges. Some of these who met at one or more of our colleges during 1987-1988 are these: January Bible Study preparation; summr ministries orientation for students working with churches; youth ministry retreats; youth choir festivals and children's choir camps; pastors' schools; Christian studies for pastors and their families; senior adult rallies; Directors of Missions summer meeting; church weekday education workshops; Special Olympics for the mentally retarded; Church Training doctrine seminars; pastor support conferences; church incorporation seminars; WMU-sponsored Acteens meetings; RA track meets; Pioneer RA Congress; Baptist Young Men's Congress; Crusader RA Congress; Baptist Student days; construction of Mars Hill College chapel by N.C. Baptist Men volunteers; annual May meeting of the General Board and all committees; March meeting of the General Board's Executive Committee; and more.

CHURCH TRAINING REPORT

The Annual "M" Night session was held at Mountain View Baptist Church with 78 in attendance. Mountain Valley Church and Roaring Gap Church shared the attendance banner. Donna Souther and Lori Shores performed a skit about a dummy learning about Church Training. All enjoyed the special music by Rev. Cameron Currin. Rev. David Key brought a message on the topic of "Living in the Spirit."

On October 17th, Youth Night was held at Baptist Home Church. The theme, "Caution Rainbow Under Construction", was highlighted by speakers from the BSU of Wilkes Community College. The Children's Bible Drills and Youth Speaker's Tournament was held at Baptist Home Church on April 23rd. Children participating were: Daniel Call, Brett Elledge, Marian Shumate, and Mark Wilkinson, from Baptist Home; Shannon Billings and Terri Swaim, from Roaring Gap; Melinda Elledge, Burl Love, Kendrick Miles, Melanie Setzer, Eric Thanos, and Matthew Carver, from Fairplains. Brian Miller, from Fairplains, was our youth speaker.

The March 19th Youth Night was held at Stoney Ridge. Melissa Call spoke on "Being Good is Not Enough". All youth and adult enjoyed the evening.

ANNUITY BOARD REPORT

North Carolina's response to renewed efforts to upgrade contributions of those already members of the Annuity Board of the Southern Baptist Convention's

retirement plans and to secure new participants continues to be exciting.

Consider these facts:

★ There have been 129 new members enrolled in the retirement plans during the period January 1 - July 15.

★ There are now 2319 North Carolina churches and associations contributing to retirement plans.

★ North Carolina has 1803 signed Cooperative Agreements! More than any other state - including Texas.

★ The number of churches participating at the old Plan A level of $33.34 has **decreased** from 439 to 166.

★ The average annuitant in North Carolina receives $234 per month, up from $196.

★ North Carolina has 3,664 members making contributions to Annuity Board retirement plans.

★ There are 1,592 annuitants receiving benefits each month in North Carolina - $372,422.85 each month!

It is exciting to think about what has been done to help ministers retire with dignity. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still so much to be done! Consider these facts:

★ Only 64% of our churches are participating in our retirement plans - even after all these years of opportunity.

★ Of this 64%, many do not actually make contributions. The minister does this on his own.

★ Small contributions make the annuitant's benefits small:

In North Carolina

182 receive less than $50
469 receive less than $100
954 receive less than $200
1216 receive less than $300

★ We have 164 churches that have signed the Cooperative Program Agreement, but still make no contribution.

★ We have 477 churches that are making contributions but still have not signed the Cooperative Agreement.

Suffice it to say that there is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

Let's keep up the good work.

DEDICATION TO MR. AND MRS. LAWRENCE SHUMATE

Through the years Stone Mountain has been blessed with many dedicated lay people. Among these are Lawrence and Era Shumate.

Mr. Shumate was born January 24, 1914. He is a graduate of North Wilkesboro High School. In 1929, Mr. Shumate accepted Christ as his saviour and joined Mt. Zion Baptist Church. He served as BYPU President while he was a member there.

Mrs. Era Johnson Shumate was born May 6, 1915. She is a graduate of Traphill High School. She accepted Christ as her saviour and joined Double Creek Baptist Church in 1933. After her marriage to Lawrence Shumate, she joined Mt. Zion in 1938.

The Shumates are the parents of one daughter, Mrs. Bob (Iva) Stowe. Iva is Minister of Music and Organist at First Baptist Church in Wadesboro.

The Shumates were members of Pine View Church for 17 years. While members there, Mr. Shumate was ordained as a deacon in 1952, served as Training Union Director and taught Young People and Adult Men. Mrs. Shumate served as WMU Director, VBS Director and taught Juniors and Young People.

Since 1967, Mr. and Mrs. Shumate have been faithful members of Fairplains Church. During this time Mr. Shumate has served as Training Union Director, Brotherhood Director, Chairman of Deacons and Vice-Chairman of Deacons. He currently is serving as teacher of adult men, associational representative, and is chairman of senior citizens committee. He has served in each of these positions for several years.

Mrs. Shumate has served as WMU Director, served on the Pastor Search Committee and is currently teaching adult ladies and serving as Baptist Women's President.

Mr. and Mrs. Shumate have been staunch supporters of the association. Mr. Shumate has served on the Nominating Committee. Mrs. Shumate has served as VBS Director and on the Program Committee. They have served as messengers to the association for a number of years. They are faithful to attend all the associational meetings. They have also served as messengers to the Baptist State Convention.

Stone Mountain is fortunate to have such dedicated members as the Shumates. It is with pleasure we dedicate this annual to them.

DEDICATION
(in memory of)
MR. GWYN A. CAUDILL

Mr. Gwyn Albert Caudill was born November 1, 1911 in Wilkes County to William and Clarissa McNeil Caudill. He accepted Christ as his savior while a teenager and united with Pleasant Home Baptist Church.

On August 3, 1935, he married the former Clara Owens and to this union was born one daughter, Betty Gwyn Knox, who now resides in Marietta, Georgia.

In 1937 Gwyn's church membership was moved from Pleasant Home to First Baptist Church in Salisbury and, about a year later, to First Baptist Church in Statesville where he was ordained as a deacon in 1940.

In 1947, the Caudills united with Baptist Home Baptist Church. Gwyn became chairman of deacons in 1957 and served in that capacity until his death, except for the two or three years he rotated off the deacon board after Baptist Home voted in the "rotating deacon system."

Other church offices he filled were Training Union Director, Sunday School Director for many years, first elected Church Treasurer, and he also served on several Pulpit Committees.

Gwyn was noted for his stedfastness and his God-given ability to keep peace and harmony among his people. He had a genuine concern for lost souls and the needs of people in general. As deacon chairman, he kept in close contact with his pastors. In fact, it has been said of him, "He was his pastor's pastor."

Gwyn's love and support of Stone Mountain Association was very evident. As deacon chairman, he faithfully kept the church informed of associational events and needs. He attended many associational meetings and encouraged others to support the various associational functions. Gwyn served many years as church messenger to the association.

Both Baptist Home Church and Stone Mountain Association lost a devout Christian leader on April 15, 1989, when the Lord called Gwyn home. He will be greatly missed but fondly and gratefully remembered.

In memory of the dedicated life of this fine Christian man, we wish to dedicate this year's annual.

HISTORY OF
BAPTIST HOME BAPTIST CHURCH

Baptist Home Church was constituted on January 6, 1880, with ten charter members. The organizational meeting was held in the home of Rev. James D. Tinsley who, along with Rev. John Adams, served as the church's first pastors.

The first church building, built about 1884, was a small one-room structure. Beginning in 1907 and continuing for a period of ten years, the Wilkes County Board of Education was permitted to hold school in the building.

In 1922 the church decided to build a new building which, like the first, was a one-room frame structure, though larger than the original building.

The present House of Worship was built in 1948 at the cost of $39,000, and in 1977 there was a complete renovation of this facility. The three-floor educational building was built in 1958. In 1964 a lovely four-bedroom Colonial pastorium was erected across the highway from the church.

Over the years the church has grown from ten charter members to its present membership of approximately 600, and from a one-room structure to property valued at over one million dollars.

In 1987 the church added a two-story brick, educational building to the existing educational building. The 9,700 sq. ft. building includes a fellowship hall, kitchen, Nursery and Pre-school Departments, Children's Department, church office and pastor's study. Also, during the construction of the new building, the first and second floor of the old educational building was completely remodeled.

During the last several years, a picnic shelter has been built, a church van purchased, and property and a house next to the church purchased.

Baptist Home has always been a very active and caring fellowship, and has supported missions in the community as well as missions around the world.

God has been good to Baptist Home Church, and we are very grateful for His blessings upon our fellowship.

HISTORY OF NEW LIGHT BAPTIST CHURCH

New Light Baptist Church was organized in 1890. The present site was donated on August 29, 1897, by Hiram Prevette and his wife Phebe Prevette. The first pastor was Rev. Grant Cothern.

New Light first joined the Elkin Association. It was released in 1897 to become a charter member of the Stone Mountain Association. Mr. J.T. Byrd, Hiram Prevette, W.P. Hall, and Timothy Shepherd represented the church at this constitutional meeting. Mr. J.T. Byrd also served on the constitutional committee. In 1898 the first contribution to missions was made by this church. New Light was the host church to the association in 1900. By 1901 the membership had reached 37. In 1903 the church was again host to the association. J.T. Byrd was ordained into the ministry during the year.

In 1907 Sunday School was organized with an enrollment of 33. The superintendent was Solomon Byrd and the secretary was G.W. Prevette.

By 1914, New Light had become mission minded, contributing to state, home and foreign missions

Jimmy Bryant and G.W. Prevette were ordained as ministers in 1921. By 1925 the membership had reached 83. In 1935 it had grown to 117 with a renewed interest in mission giving.

In 1951 the association and the cooperative program were included in the budget.

New Light's congregation bricked the wooden structure in 1955. Soon thereafter six classrooms and two restrooms were added.

By 1960 the membership had reached 148. This was the year that the W.M.U. was organized. From this point, growth in mission interest was expressed in gifts to associational, state, home, and foreign missions. In 1961, mission gifts more than doubled the previous year's amount and doubled again in 1963.

In 1963, New Light organized a Training Union with 73 enrolled. Homer Shepherd was the director.

The Educational building / fellowship hall was added in 1984.

Two deacons, Lionel Shepherd and Ronnie Wagoner, were ordained in 1988.

In 1989 the parking lot was enlarged and the sanctuary and restrooms were renovated. The church is currently free of long-term debt. Church membership has increased to 209. The Sunday School enrollment has grown to 111, with the additon of new classes and outreach workers. Mission organizations now include Mission Friends, G.A.s, Acteens, and Baptist Women, with plans to start a Brotherhood and R.A.s. New Light remains mission minded, contributing faithfully to the association, cooperative program, home and foreign missions and to individuals in times of crisis. God has blessed greatly.

The voting body shall consist of the duly elected messengers from the Churches within the Association.

Amendments--Each church with a resident membership of two hundred or less shall be entitled to three elected messengers, and those having more than two hundred resident members shall have an elected messenger for each hundred or major fraction thereof beyond the two hundred resident members, but not to exceed a total of ten elected messengers.

PROCEEDINGS
(First Day)
"Spiritual Unity"
(Thou shalt love thy neighbor as thyself - Mark 12:31B)

The Ninety-third Annual Session of the Stone Mountain Association was called to order by Rev. Howard Laney, Moderator, at 4:30 P.M. on Friday, October 20, 1989, at Baptist Home Baptist Church.

Mr. Fred McCall, Associational Music Director, led the opening hymn, "I Will Sing the Wondrous Story", with Mrs. Iva Grindstaff at the Piano.

Welcome and devotion was by Rev. Mike Wilkinson, Host Pastor. Rev. Wilkinson's message was based on 1 Corinthians 12:1-13, "Spiritual gifts -- unity in Christ." He gave four reasons why we should manifest the spirit of Christ as an association: we confess the same Lord, depend upon the same God, minister to the same body and have experienced the same baptism. Rev. Wilkinson closed the devotion with prayer.

Mrs. Era Shumate, Program Chairman, made a motion that the printed program be adopted after noting some changes. Motion approved.

The original Annual Session had been planned for September 22-23, 1989; but had to be postponed due to Hurricane Hugo. The annual session was rescheduled for October 20-21, 1989.

Mrs. Pat Handy, Association secretary, in the absence of Mrs. Faye Zimmerman, called the roll of churches.

Rev. Mike Wilkinson, Chairman of Constitution Committee, read a suggested revision in the constitution (as it appears in the 1989-90 Annual). This is to be voted on

during the second day of the annual session, as provided by rules under Robert's Rule of Order.

The Nominating Committee, Resolutions Committee and the Time, Place and Preacher Commitee were appointed by the Moderator as provided in the Constitution (See Directory for names).

The Moderator, recognized the outside visitors and recognized/or named all new pastors in the Stone Mountain Association and interim Pastors as following: Rev. Mike Collier, Fairplains; Rev. Kent Wood, Mount Zion; Rev. Julius Blevins, Haymeadow; Rev. Dennis Bell, Roaring Gap; Rev. Neal Hatfield, Union; Rev. Keith DeBord, Traphill; Rev. Major Caudill as Interim, Hilltop; Rev. Mace Johnson as Interim at Mt. Pisgah; Rev. Earl Adams as Interim at Walnut Grove.

For the Moderator's address, Rev. Howard Laney, spoke on the subject "Where Do We Go From Here", using John 21:1-11 as reference. "How do we and our church stand regarding our work and commitment to God? A total of seven out of ten Southern Baptist churches either on a plateau or declining - Christ is the ultimate answer. Remedy for churches - preach the Word and feed the sheep".

Vice-Moderator, Rev. John Robbins, introduced Rev. J. W. Hutchens, Director of Evangelism of Baptist State Convention. Rev. Hutchens' message was on "1990 Here's Hope Revivals". He gave an outline on "The Greatest Message in All the World": Acts 1 - Jesus Went Up, Acts 2 - The Holy Spirit Came Down, Acts 3 - The Church Went Out. The reason we do not have good revivals is that we do not pray, we don't know who the prospects are and we are not compassionate. The church should do God's plan with compassionate hearts.

Mr. Fred McCall led the congregation in singing another hymn "Praise Him, Parise Him."

Mrs. Margie Laney, Director of Missions, introduced Rev. Bobby Stafford, Director of Associational Development, Baptist State Convention, who shared thoughts on "Spiritual Unity". Rev. Stafford used Romans 15:5-6 as his message.

Prayer of thanksgiving was by Rev. Mike Collier.

Beginning of the evening service, the hymn, "Blessed Be The Name" was led by Mr. Fred McCall.

Mrs. Margie Laney, Director of Missions, made 128 visits to churches within the association, 62 associational meetings and 56 meetings outside the association during 1988-89. Mrs. Laney said, "Hope can be found only in Christ, and we need a lot of time spent in prayer".

The special music was by the Stone Mountain Association Choir. The four songs were: "Hallelujah, We Shall Rise", "Where Could I Go", "When Came The Morning" and "I've Been Changed".

The annual sermon was by Rev. Bobby Brown, pastor from Pine View Baptist Church. His reference was from 2 Peter 1:1-14: "Spiritual Unity" with Faith, Virtue, Knowledge, Self-Control, Patience, Living Christ-like, Brotherly Kindness, and Love are very vital to us as a Christian to abound in the work of the Lord.

The closing prayer was by Rev. Harold Grindstaff.

There were sixty-two messengers, twenty alternates, seven pastors, forty-five visitors for a total of 134 present.

The Time, Place and Preacher Committee report was submitted by Rev. Mike Wilkinson. A motion was made to adopt the report. Motion approved.

The NC/Brazil Partnership report was given by Rev. John Robbins.

Article No. 8 was revised to read as following: We believe **in the event a chruch has no pastor and no ordained minister is available the church has the right to authorize a member to administer the ordinances of Baptism or the Lord's Supper.** Motion approved.

A motion was made by Rev. John Robbins to table the motion until the 1990 annual meeting and instruct the Constitution Committee to bring for consideration the 1987 reading of "Article of Faith" No. 8 which reads: "We believe that no minister has the right to administer the ordinances of the Gospel except such as are regularly called and come under the imposition of hands by the Presbytery". Motion approved.

A motion was made to adopt the 1989-90 budget report. Motion approved.

The Memorial service was by Rev. Amos Combs. The roll call of deceased was by Mrs. Faye Zimmerman.

VACATION BIBLE SCHOOL REPORT

Our 1989 VBS is a very successful one to report. We praise the Lord how He worked in our churches through VBS.

I am very grateful to all the VBS Associational Team who were so willing and devoted to their task as leaders. I would like to say a "big THANKS" to Mac Burrus, Susan Key, Teressa Johnson, Lynne Wiles, Jeanette Billings, Malinda Reeves, Ocie Clark and Margie Laney for being there for me. You made me look good! God bless you for all your efforts.

We had good clinics with attendance from 15 churches and 11 pastors. We had 93 in our general conference and 28 in our Early Bird Clinic. I appreciated each of you for giving your time and love to all the boys, girls and adults in Stone Mountain Association to tell them the love of Jesus. It was worth it all to see happy faces and happy hearts.

We hope each church has already chosen a VBS Director for next year and they will make plans to attend our clinics for next year. Our dates are:

EARLY BIRD CLINIC - for Pastors & Directors - March 19, 7:30 p.m., Mountain View Church.

VBS CLINIC - for ALL workers - April 23, Maple Grove Church, 7-9 p.m.

I've enjoyed my past two years as VBS Director. I want to be of help to you Directors, if you will contact me. Continue to pray for me as I lead our association in VBS work. 1989 was a good year. Many prayers were answered. Join me, even now, to start praying and preparing for 1990 VBS.

To God Be The Glory, Great Things He Has Done!

Mary Ann Wilkinson

BAPTIST LITERATURE REPORT

Many disturbing events have happened this year throughout the world, and we as Baptists have not been left exempt. It is very easy to get distracted from beginning visions. For example, it is the opinion of this individual that the Supreme Court has been distracted from the visions of those who made up the Constitution of the United States. There are even those who would try to change the way we believe as Baptists Regardless of the issue, Baptist literature continues to publish both sides.

If we are interested in keeping the visions God has set forth for us, then let us use the tools that are available. If I wanted to drive a nail, I would use a hammer. If I wanted to learn more about Baptist and Baptist workers, I would read articles in the **Biblical Recorder, U.S. Missions, Facts and Trends,** and the many other works of Baptist writers. Plain and simple.

Respectfully submitted,
Billy M. Felts

MODERATOR'S REPORT

Some ask, "What is the association?" It is a group of churches joined together to do things we cannot do individually. Together we can make it possible to provide training programs that each church can enjoy and be blessed in. Some churches would not be able to provide this type of training for its leaders.

Let me encourage each church to participate in all the programs of the association because they are offered to all and for the benefit of all.

Each church is a part of the association. Let's be great for Jesus.

COOPERATIVE PROGRAM REPORT

Possibly no action taken by the Southern Baptist Convention has had greater force in unifying and strengthening the outreach of Southern Baptist than the adoption of the Cooperative Program plan in 1925.

The members of the local churches carry a great responsibility as they determine the requirements of the various state conventions and the Southern Baptist Convention in dividing the Cooperative Program funds generated in our churches.

The Cooperative Program shows what Southern Baptists really stand for and what we really are. It's like an irrigation system to get the water of life to thirsty people. We become a part of it all when we join hands with over 14 million other Southern Baptists through the Cooperative Program.

The key to it all is the individual (God's Steward). What can we do to make a difference? The first thing we can do is commit ourselves anew to Christ and His Great Commission. Second, examine our own giving. Is it all we should do in the light of the way God has blessed us? Third, make sure our church's budget committee understands the mission needs, and the opportunities supported by the Cooperative Program. Fourth, use every opportunity to teach Biblical principles of stewardship. Finally, help our churches understand how it can combine its mission gifts with those of other Southern Baptists to do the work Christ has commissioned us to do.

The cooperative mission effort of Southern Baptists has developed a world wide mission network unparalleled in the history of Christianty. The mission endeavor includes proclaiming the Good News of God's saving grace in Jesus Christ; establishing churches, ministering to the hungry, the hurting and the sick, and providing resources for Christian education, missions, evangelism and benevolences.

As the little boy surrended his small lunch for Jesus to feed the hungry crowd, so must each of Southern Baptists give his best that the whole world can be reached with the message of salvation.

BAPTIST HOSPITAL REPORT

The past year at Baptist Hospital has seen growth in facilities and personnel, advancement in medical technology, and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, construction of the Clinical Sciences Building is expected to be completed by 1990, and the Medical Center Boulevard is currently being moved to make ready for the expansion of the Patient/Visitor parking deck, atop which will be two new helicopter pads. The current helicopter pads will be the site of the J. Paul Sticht Center on Aging.

The hospital's level one trauma center has further developed its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView computer system stores large volumes of data for transmission of images via fiberoptic cable. The treatment of

certain brain tumors can now be done by implanting a tiny radioactive pellet directly into the tumor. Other types of cancer are also being treated by new methods.

Patients come to the Baptist Hospital from across the country and the world. Last year 22,100 persons were admitted to the hospital. The Department of Pastoral Care continues its effective ministry. Also "Pastors Sabbath" and "Interim Church" programs are in place to work with pastors and churches addressing specific needs.

The Baptist Hospital continues to renew its commitment of excellent care in a variety of ways. Its continued success is due in part to the continued support of faithful Baptists through the Cooperative Program. Last year, $668,937 was received through this program, and $303,133 through the Homes and Hospital Offering. The hospital staff and patients are grateful for the services made possible by these gifts.

CHRISTIAN HIGHER EDUCATION REPORT

North Carolina "Baptists" should be proud to say we have seven Baptist colleges or universities. How many other states can claim this many? A college is a place where learning takes place. At the Baptist colleges learning takes place in a different environment than on other campuses. Students need that Christian atmosphere where their life commitments come into focus for them. At the Baptist college campuses, there are different groups of Baptists meeting for retreats, workshops, conferences and seminars throughout the year. The campus of each college is used by the Baptist other than students.

Do we know our seven schools? They are: CAMPBELL UNIVERSITY, MEREDITH COLLEGE, CHOWAN COLLEGE, MARS HILL COLLEGE, GARDNER WEBB COLLEGE, WINGATE COLLEGE, and WAKE FOREST UNIVERSITY ... Seven - that we should support, respect, and be very proud of!

Dr. Jo Hendrix

NORTH CAROLINA MISSIONS REPORT

State missions are a very important part of the fabric of mission work. So often when we think of missions, our minds turn to the foreign fields and we tend to forget the importance of state missions. As we read in Acts 1:8, the Lord Jesus was charging His disciples to go forth and be His witness - in Jerusalem and in Judea and in

Samaria, and unto the uttermost part of the earth. North Carolina missions is our Jerusalem. Our offering and gifts to N.C. Missions Offerings go to help the many ministries here in North Carolina.

The offering goal of N.C. Missions for 1989 is $1,800,000. These funds have been taken and broken down to be disbursed among the many institutions that help to teach and train young people, Moms and Dads, Sunday School teachers and lay members how to be better and more effective witnesses. Of these funds 9.5% has been designated to go back to the associations in support of their work. A breakdown of the N.C. Missions Offering is as follows:

38% - Mission Ministries
15% - Caswell Capital Funds
11% - Christian Higher Education
10% - W.M.U. (Heck-Jones)
9.5% - Associational Projects
7.5% - N.C. Baptist Men
6% - Caswell Debt Retirement
1.667% - Christian Action League
1.333% - Fruitland Baptist Bible Institute

So as you can see, our offerings go to support many varied and fruitful ministries. Surely we are changing lives through State Missions.

CHRISTIAN TRAINING CLASS

Stone Mountain Association's Christian Training (Seminary Extension) represents a cooperative effort between Stone Mountain Association and the six Southern Baptist seminaries to provide ministry training in this area. Our students were part of a student body of more than 7,000 nationwide who took one or more Seminary Extension courses.

This past year we studied the book of Romans. We had 22 enrolled. Rev. John Robbins was the teacher.

We will offer two courses in 1989-90. Beginning September 19 we will study Ephesians and Philippians. Rev. John Robbins will teach this course. Another course will be offered beginning March 13, 1990.

WOMAN'S MISSIONARY UNION REPORT

Emphasis for 1989-90 in WMU is to **REACH, TEACH & TOUCH.**

During 1988-89, the Associational WMU Council met several times and planned the activities for the year.

Mrs. Ellis Fulbright, former missionary to Africa, spoke at the annual session at New Light Baptist Church on March 23, 1989.

The Associational WMU group leaders attended the training sessions at Fruitland and Caraway Conference Center on July 21, 22 or July 29, 1989. The WMU age level leaders are available to assist you or to provide resources for you during the next year in your church.

BAPTIST FOUNDATION REPORT

Since its staffing in the early 1950's, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the ongoing work of the agency. Because of this, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

We are pleased to report that the majority of the funds necessary to construct the new building has been secured. The new building will be erected beside the Baptist Building in Cary, and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, we have been careful that the ongoing responsibilities of the Foundation not be neglected.

Total assets of the Foundation is now approaching $17 million, of which $3.8 million was added in 1988. Last year, $1,258,775 was paid to Baptist work and to individuals designated in charitable-type trusts.

We are grateful for the support of Baptists across the state who support the mission and ministry of the Foundation.

Rev. Joel Blevins

BROTHERHOOD REPORT

As we pause once again to look back over the past year, we "praise God from whom all blessings come."

Looking back to years past and now to the present we find our Stone Mountain Brotherhood program has grown. We have lost some Baptist Men and R.A. groups, but we have also gained some.

In 1988-89 we gained one new Baptist Men's organization and one new R.A. program. We now have a total of fourteen out of our twenty-three churches with some form of Brotherhood in them.

Looking forward to 1989-90, we want to encourage all churches with Brotherhood programs not to give up. We cannot afford to let these men's and boy's talents go to waste. With God's help we can make this the best year ever.

In 1988-89 Brotherhood promoted and/or participated in the following activities:

REPORT ON BAPTIST RETIREMENT HOMES OF N.C.

This marks the 38th year of ministry by the Baptist Retirement Homes. The Homes provide care for Older Adults in five locations across the state (Albemarle, Asheville, Hamilton, Winston-Salem and Yanceyville).

A new continuing care retirement community, Brookridge, located in Winston-Salem, will open in the fall of 1989.

Recognizing the need for quality residential care for Older Adults, the Board of Trustees has formulated a three-pronged long-range plan to meet this need.

*To work with churches and associations in the development of regional continuing care retirement communities in the West, the Piedmont and the East.

*To work with churches and associations in the development of "free-standing" residential housing (independent-living units, assisted-living units, and nursing care units).

*To work with churches and associations in the development of alternative forms of residential care for Older Adults (Respite Care, Adult Day Care, and Home Health Care).

MISSIONS COMMITTEE REPORT

The Missions Committee met January 7 - the committee recommended nominating Rev. John Robbins as Coordinator of the North Carolina/Brazil Partnership. The committee recommended that half the money left from the 1988 North Wilkes Crusade be used toward the N.C./Brazil Partnership.

The Missions Committee met July 18 - the Committee recommended that we dedicate the annual this year to Mr. and Mrs. Lawrence Shumate and in memory of Mr. Gwyn Caudill. Also, with Rev. John Robbins' assistance as Coordinator guidelines were set up for those who were interested in participating in the N.C./Brazil Partnership.

The Missions Committee would like to see more involvement in missions from all our churches in Stone Mountain Association.

CHRISTIAN ACTION LEAGUE REPORT

One of the major moral issues being faced by Baptists and other Christians is gambling. The gambling industry has targeted North Carolina as fertile ground to make its in-roads. A statewide organization, Carolina Sports Association, and its hired lobbyists were successful in securing passage of the lottery in the Senate. Now, the battle will be fought in the N.C. House during the May 1990 session.

This gives 6 months to solicit opposition to the measure from the membership of the N.C. House.

Contact your N.C. House member and secure his or her opposition to Senate Bill 4, the Lottery Act.

We are having a lot of voices talking about declaring WAR ON DRUGS. U.S. Surgeon General C. Everett Koop has given our nation some words of wisdom: "It isn't ginger ale we're talking about. It's alcohol, the most widely abused drug. In the alleged war on drugs, alcohol enjoys a battlefield exemption. The United States will one day have to choose between alcohol and health . . . because we can't have them together."

The Christian Action League is ready to stand with you in the ministry of Applied Christianity as we confront the moral and social evils of today's world.

GENERAL BOARD REPORT

January 1989 began the second year that I have served as a General Board member. At the January meeting, I was elected to serve for the second year on the Executive Committee. The Executive Committee meets monthly except in the months of February, June, and October. During the past February, we met since the business of Wingate College's name had to be resolved. The Executive Committee is the general board between sessions of the regular group of General Board members. The General Board is made up of representatives from the seventy-nine associations and ten geographical regions in North Carolina. Other members include the President of the

Convention, the two Vice-Presidents, the Woman's Missionary Union president, and the Baptist Men's president. The non-voting ex officio members include the Executive Director-Treasurer, the Recording Secretary, and the North Carolina members of the Executive Committee of the Southern Baptist Convention.

During this year, I have served on the Youth and Campus Ministry Committee and on the Resolutions Committee for the Convention.

During the past year, I have attended three General Board meetings, seven Executive Committee meetings, three Youth and Campus Ministry meetings, and one Resolutions Committee meeting.

EVANGELISM REPORT

Our Association began 1989 with a Lay Evangelism Certification Class. There were ten in attendance who are certified to teach Lay Evangelism Schools in the local church. A list of these names may be obtained from the Associational Office.

The State Evangelism Conference was again held in Greensboro and, as always, it was very inspirational.

The Youth Evangelism Conference was held this year at Carowinds and concluded with a worship service at the Paladium.

At present we are making preparations for the 1990 Simultaneous Revivals to be held April 1-8. We hope every church will participate and that everyone will join in fervent prayer for God's blessing upon our services and souls to be saved.

ANNUITY BOARD REPORT

The Annuity Board continues to blaze trails in its effort to "serve those who serve the Lord." A new and vastly improved insurance program is being offered under the name Church Life. There will be four plans from which to choose. There has been an increase in the amounts of insurance that can be carried out in retirement.

There were, at the end of March 1989, 19,972 annuitants who received $20,246,625. There were 472 recipients of Adopt-An-Annuitant grants, totaling $67,775, and 409 monthly relief grants and 180 monthly expense grants, receiving a total of $142,914.

Efforts continue to be made which will help churches and ministers have a plan for retirement. Each church is encouraged to be a responsible employer and to make every effort to see that ministers participate by providing its contribution to the plan for those who serve the Lord in that church.

In North Carolina, there are now 2,162 churches and associations contributing to retirement plans. North Carolina has 1,892 signed Cooperative Agreements! More than any other state!

There is still much to be done! Only 64% of our churches are participating in the retirement plans. Of this 64%, many of the churches do not make any contributions. The minister does this on his own.

Small contributions make the annuitant's benefits small: In North Carolina, 184 receive less than $50; 493 receive less than $100; 1006 receive less than $200; 1287 receive less than $300.

We have only 11 churches in Stone Mountain Association participating in this program.

Respectfully submitted,
Claude Johnson

SUNDAY SCHOOL REPORT

This has been a year of growth and training in Associational Sunday School work. There are three new members on the ASSIST team. There were five training sessions, three included the complete team. These training conferences help prepare the team to assist you, the churches, to have more effective Sunday Schools. There were two conferences held: the Sunday School Leadership Conference on September 8, 1988, and the Key Leadership Conference on August 28, 1989.

I hope there will be more interest and growth in the Sunday Schools. Please feel free to call on the ASSIST team if we can be of any help.

REPORT ON BAPTIST CHILDREN'S HOMES OF N.C.

Like Salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House, the first home for teen-age mothers and their babies we know of anywhere and the Philpott Parent Aide Program.

Care House where five teen-age mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed $1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than 1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of N.C. this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for the girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday school departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

Respectfully submitted,
James Byrd

DEDICATION TO PATRICIA FOSTER HANDY

It is with joy that we dedicate our 1990 Annual to Patricia (Pat) Handy. Pat was born November 24, 1944 to Quincy and Carrie Stone Foster. She is the youngest of seven children. She is a graduate of Wilkes Central High School. On November 8, 1969 Pat married Carl Michael Handy. They have one daughter, Carla Michelle Handy, a senior at North Wilkes High School. They reside in the Mulberry community.

Pat has attended Baptist Home Church since early childhood. She professed Christ as her Saviour following Bible School in 1957 and was baptized into the fellowship of Baptist Home at the age of 12.

Pat became actively involved in all the church activities at a very early age. Some of her activities include Youth and Adult Choir member; worked with Preschoolers (Beginners) in Sunday School and VBS for a number of years; served as Y.W.A. President, WMU Director; WMU Secretary; Baptist Women President; Church Recording Secretary and has served as Clerk since 1978.

Pat's employment began after graduation in 1963, when she was employed by Lowe's Companies General Offices in the Payroll/Personnel, where she worked until 1970. In October 1976, Pat was employed as part-time secretary for Baptist Home Church and served in this position for thirteen and one-half years. In February, 1984, she became part-time secretary for Stone Mountain Baptist Association. Soon after she accepted the position of Associational Treasurer, which included serving on the Missions Committee and Budget Committee. She also served as secretary of some special events such as the Good News America Simultaneous Revivals, Here's Hope Revivals and North Wilkes Crusade. To Pat, her position was more than a job, it was a service to her Lord. Many times she went beyond the call of duty in her work.

Words that we could use to describe Pat and her work in the Association include, "you could always count on her," "she was dedicated to her work and her Lord," "you could confide in her," and "she was a friend."

In April 1990, Pat resigned as secretary of Baptist Home Church and Stone Mountain Association to accept full time employment with North Carolina Department of Corrections, Asheville Parole Services, Wilkes office.

To Pat our love and appreciation goes with her. We will always be grateful for all she did for the Director of Missions and Stone Mountain Association.

DEDICATION TO ELDON JOSHUA WOODRUFF

It is in loving memory that we dedicate our 1990 Annual to Eldon Joshua Woodruff, who went to be with the Lord March 12, 1990.

Eldon Woodruff was born October 16, 1912 to Rev. I.C. and Mary Jane Spicer Woodruff. The Rev. I.C. Woodruff taught at Mountain View School and at one time served as pastor of Mountain View Baptist Church. Eldon had one sister, Myrtle Woodruff Dearman (deceased) and one brother Len David Woodruff. Eldon attended and graduated from Mountain View High School.

In 1953 Eldon married Izola Griffin. Through this union was born one son Michael Eldon Woodruff (who has two sons, Anthony Michael, and Jason Mark Woodruff) and one daughter, Letha Jane Woodruff.

Eldon was baptized into the fellowship of Mountain View Baptist Church November 14, 1926 and from that time he made the church the center of his life. His activities in the church included: more than thirty years as Sunday School teacher; deacon; thirty-five years as clerk; treasurer and VBS worker.

Eldon always put the church first in his life. It was through his dedication and love for the church that he was able to bring many life-time friends and troubled souls into the church.

His family accepted gracefully the long hours he invested in the building of the new church. This did not keep him from being a loving husband and wonderful father.

Anyone who needed a shoulder to lean on or a strong hand to help could count on Eldon to be there with a good thought and a kind and loving word for them.

Eldon was not only faithful to his church but he was no stranger to the Association. He served as messenger for many years and was a strong supporter of the Association.

Mountain View Church and Stone Mountain Association were truly blessed by Eldon's outstanding Christian life. His influence will live on in the lives of those he touched.

HISTORY OF
ROARING GAP BAPTIST CHURCH

Roaring Gap Baptist Church was organized as an arm set off from Traphill Baptist Church at Park Institute (later known as Peach Orchard) August 25, 1894.

In August 1894, the church ordered an associational letter. According to the record, Roaring Gap Baptist Church joined the Stone Mountain Association in August, 1907.

This little church 24' x 36' served the people until 1926 when it was turned around and remodeled to double the seating capacity. In August 1954, the second contract was given to Sidden Construction Company to finish the building. The work was completed January 24, 1963.

Active deacons at this time: Gwyn Hayes, Gilmer Pardue, Harold Lyon, Jerry Swaim, Tim Baker, Jimmy Billings.

Church clerk at this time: Alice Baker.

Roaring Gap Baptist Church now has a fellowship hall. The building was completed in August, 1986.

On June 3, 1990 Roaring Gap Baptist Church licensed Danny Baugess to preach. In March 1990 Rev. Dennis Bell resigned. Rev. Joel Johnson is interim pastor at this time.

HISTORY OF MOUNTAIN VALLEY BAPTIST CHURCH

Mountain Valley Baptist Church was organized by a small group of concerned citizens September 30, 1902. The first members of the church totaled twelve and met in the old Mountain Valley School Building. At the first meeting, the members adopted the articles of faith and held their first church conference. They elected a pastor, Elder G.W. Adams, and an assistant pastor, Brother Jackson Eller. During the conference, two more people joined the church making the membership total 14. This newly organized church wasted no time in their pursuit of God's word, and began a series of revival meetings, eleven people made professions and were baptized October 12, 1902, which is the first recorded baptism in the church records. Thus began the growth of Mountain Valley Baptist Church.

The church remained at it's original site for thirty-six years, and strict discipline was the order of the day. The church joined the Stone Mountain Association as early as September 1903 and has been very regular in their appointments of messengers to the annual associational meetings.

In 1938 land was donated by J.C. (Lum) Kilby and a white frame church was built. This church was built just in front of the church's present location. The members met in the white, frame church from 1938 until 1964. On October 25, 1964 dedication day was held for the new brick church which is still being used. During the period 1902-1990, 88 years, the church has been served with 33 pastors including our present

pastor, J. Harvey Clark, who ably leads the church with present membership of 256.

The Church has participated in most all functions carried out by the association through out it's history. We support the association and the cooperative program on a monthly systematic basis.

The church is debt free, and improvements have been made to the building on an annual basis for several years.

Each year homecoming services are held the third Sunday in September and we would sincerely like to invite everyone to attend.

Deacons presently serving the church are, Trelia Kilby, chairman; Wayne Reavis, Gene Reavis, Ralph Haynes, Tony Brown, Maurice Kilby and Ancil Faw.

PROCEEDINGS
(First Day)

The Ninety-fourth Annual Session of the Stone Mountain Baptist Association was called to order by Rev. Howard Laney, Moderator, at 4:30 P.M. on Friday, September 21, 1990, at Roaring Gap Baptist Church.

Mr. Fred McCall, Associational Music Director, led the opening hymn, "To God Be The Glory", with Mrs. Nona Blevins at the piano.

Rev. Joel Johnson, interim pastor of the host church, welcomed the congregation

and led in devotion and prayer, using as his scripture, Acts 7:38, following the theme, "The Church: Edify and Multipy." He made the comparison of the church in the wilderness being called out of Egypt to today's churches being called out of the world. He stated the mission of the church is to "plow straight ahead, the best is yet to come."

Rev. Michael Collier made a motion the printed program with minor changes be the order of service. Motion approved.

Mrs. Carol Byrd called the roll of churches. Twenty-two churches were represented, with fourteen pastors, including the newly formed church, Springfield, with their pastor.

Mrs. Jeanette Billings, chairman of missions committee read the constitution and application of Springfield Baptist Church to come under watchcare of the association for one year. A motion was made, seconded and approved to accept this church.

The Nominating Committee, Resolutions Committee, and Time, Place and Preacher Committee were appointed by the moderator as provided in the constitution. (These are listed in Directory.)

Rev. John Robbins read proposed changes in the constitution to be voted on during the second day of the annual session, according to Robert's Rule of Order.

The moderator recognized or named all new pastors in Stone Mountain Association as follows: Baptist Home, Rev. Mark Hollar; Elk Spur, Rev. Harvey Bowman; Mount Pisgah, Rev. Mace Johnson; Pine View, Rev. Amos Combs; Roaring Gap, Rev. Joel Johnson, Interim; Stony Ridge, Rev. Steve Faw; Traphill, Rev. Robert Ferguson; Union, Rev. Ray Osborne; Welcome Home, Rev. Lee Roy Luffman; Springfield, Rev. Bill Pruitt.

Rev. Howard Laney read Ephesians 2:14-18 for the moderator's address, speaking on "Building bridges rather than walls." These walls have been built, are being built and will be built, they divide, separate and destroy. Even as Christ tore down walls so must our churches, then build bridges so we can work together through Jesus Christ. He also spoke of losses in churches, in the association, we had gains in only three areas, Sunday School average weekly attendance, Discipleship Training and Giving.

Dr. Jo Hendrix introduced Mrs. Velma Ferrel from the Baptist State Convention, Division of Youth and Campus Ministries. She spoke on programs for our young people offered through State Convention, including 4 youth weeks at Caswell with over 4,000 attending this summer. Other programs were High School Seniors retreat, Curtain Call, Youth Core, Outreach Ministries from Baptist Student Unions and Volunteer B.S.U. in technical schools and community colleges.

Mr. Fred McCall led in singing the hymn, "He Hideth My Soul."

Rev. John Robbins introduced Rev. Roy Holder from the Baptist State Convention, speaking on behalf of Rev. Jim Lambert, who was unable to attend. He stated that 51% of our population is unchurched, multi-family housing is a new work. He also spoke on the annuity program, giving several points of interest, leaving us with the thought, "Missions is the glue that holds Southern Baptists together."

Prayer of thanksgiving was by Rev. Bob Ferguson.

To begin the evening service, the hymn "Stand Up, Stand Up For Jesus" was led by Mr. Fred McCall.

Mrs. Margie Laney, Director of Missions, in her annual address, said this has been

a year of challenge and opportunities. In 13 of our 22 churches, pastors have resigned, 6 are now without pastors. Continuing with the theme "The Church, Edify and Multiply" she gave these road blocks to church growth: 1. Inadequate vision by church leaders; 2. Lack of desire to grow; 3. Inadequate property; 4. Inability to change; 5. Inadequate program of direct evangelism. For church growth, we must have committment, outreach and worship.

The Stone Mountain Associational Choir presented special music including "Seasons Come and Seasons Go," "My House Is Full," "Up In Heaven," and "Majesty."

The annual sermon was by Rev. Michael Collier using Ephesians 4:7-16, "What the Church is and what is our purpose?" We grow as a church through two kinds of ministry, outreach and edifying. Are you using the gift God has given you to build your church?

The closing prayer was led by Rev. Mace Johnson. There was a total of 102 present including 59 delegates, 10 alternates, 22 others from churches and 11 visitors.

PROCEEDINGS
(Second Day)

The moderator, Rev. Howard Laney, called the second session of Stone Mountain Association to order at 9:00 a.m., Saturday, September 22, 1990 at Mountain Valley Baptist Church. For this session twenty-two churches were represented, with 16 pastors. All churches in the association were represented during the annual session.

The hymn, "Give of Your Best to the Master" was led by Mr. Fred McCall with Mrs. Nona Blevins at the piano.

Rev. Harvey Clark, host pastor, welcomed everyone and led the devotion and prayer, continuing the theme "Church Multiply." Using Acts 2:41-47, "What kind of church will multiply? The church must have biblical doctrine, eager to receive the word, the power of prayer and be geared to soul winning.

The reports of various committees were given as follows: Nominating Committee: Rev. Harvey Clark; Time, Place and Preacher Committee: Rev. John Robbins; N.C./Brazil Partnership: Mrs. Ann Smith; Resolutions Committee: Mrs. Wanda Call; Budget Committee: Mrs. Clarine Foster; Evangelism Committee: Rev. Tim Pruitt gave plans for witness booth at Apple Festival, asking churches for volunteers and donations of suckers and gum to be used with tracts. World Missions Conferences Committee: Rev. Harvey Clark gave change of date to October 18-21, 1992.

A motion was made for adoption of reports, both printed and spoken, this was approved.

Rev. Harvey Clark read constitution changes that had been read on the 1st day of session and made a motion to adopt these changes. This was approved.

The moderator recognized new pastors in the association that were not present for the 1st day's session.

On behalf of the Association, a declaration of Committment to Witnessing and Giving was signed by the moderator, Rev. Howard Laney; Director of Missions, Mrs. Margie Laney; Evangelism Chairman, Rev. Tim Pruitt; and Stewardship Chairman, Mr. Wayne Reavis.

Rev. Harvey White conducted the memorial service with Mrs. Carol Byrd reading the names of deceased from our churches during the past year.

Visitors were recognized by the moderator.

Mr. Fred McCall presented North High Chorus to sing "Cry Out and Shout" and "As Water to the Thirsty."

Mr. Eddie Hammet from Associate Discipleship Training Department, Baptist State Convention stressed the importance of training, being disciples in the work a day world.

Rev. Eddie Bracket, pastor, First Baptist Church, King, gave a very informative message about Special Ministries to the mentally handicapped and the needs of this group and their families. "In as much as you have done it unto the least of these, you have done it unto me."

Mr. Fred McCall led the congregation in the hymn "He Keeps Me Singing" after which Rev. Wayne Murphy, N.C. Baptist Hospital spoke of the changes in the hospital in 70 years. The hospital is looking forward to the future, still meeting spiritual needs and showing compassion to patients.

Mr. McCall led in singing "Blessed Assurance."

Rev. Donald Blevins brought the morning message from Acts 2:41-47, "The Glowing, Growing Church." The church should glow and grow as a new convert. The early church had the power of the holy spirit to witness and multiply, the church today must be Witnesses, Workers and Watchers.

The benediction and prayer of thanksgiving was led by Mr. Wayne Reavis after which the Ninety-Fourth Annual Session of Stone Mountain Association adjourned.

For today's session, there was a total of 94 present, including 56 delegates, 6 alternates, 18 others from churches and 14 visitors.

N.C. BAPTIST FOUNDATION REPORT

Organized in 1919, one of the responsibilities of the Baptist Foundation is to create awareness among Baptists within North Carolina concerning estate stewardship as a significant means of providing financial support of Christian endeavors fostered by our churches. The Baptist Foundation assists individuals in the establishment of endowment and trust funds. Through these funds financial support is provided the donor's chosen Christian cause or causes on a continuing basis for years to come, long after the donor's death.

Gifts of appreciated assets, such as stock and real estate can be placed in trust to generate income for individuals and then pay income to Christian causes beyond their lifetime.

Respectfully submitted,
Margie Laney, No Repres.

MODERATOR'S REPORT

How shall we measure success, as a Christian, a church or an association? Some may measure success by wealth. A person may boast of his money and property. Some may measure a church by it's budget. Jesus asked, "For what is a man profited, if he shall gain the whole world, and lose his own soul? Matthew 16:26.

Some may measure success in popularity. These may want to be on many committees and hold many offices.

Some may measure a church's success by it's membership. We may have the largest house and bank account but a broken and divided family. Is this success? We may have the largest church building and the largest budget, but have a broken fellowship. Is this a successful church?

It would seem time that a Christian who has peace within and peace with his fellowman as much as possible is a successful Christian.

A church that has peace within it's fellowship will be successful in other ways.

These conditions come by having peace with God through Jesus Christ. I am grateful for the peace we have in our association. Let's make it even greater.

Respectfully submitted,
Howard Laney, Moderator

BAPTIST HOSPITAL REPORT

The largest health-science building program ever in North Carolina has changed the landscape on Hawthrone Hill, and the changes continue in rapid succession. Another building in the $190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, an Ambulatory Service Unit, Medical Center Administrative Offices, and other functions. Nearing completion is the Day Care Center for children of medical center employees. Under construction is an additon to the Magnetic Resonance Imaging Building and the Patient/Visitor parking deck. Construction on the Center on Aging Building is scheduled to begin in early 1991. The purpose of these new facilities is to enable the Baptist Hospital to respond to patient needs better than ever before.

In addition to the continuation and improvement of many established procedure, several new diagnostic and treatment programs have been recently started. The Organ Transplant Program added a new dimension when the first single-lung transplant in North Carolina was performed. Other procedures being done are marrow transplants, the correction of major deformities of the skull and upper face during the first year of life, the clearing of atherosclerotic deposits in the carotid arteries of the neck by laser technology, and the treatment of complicated retinal detachment. Also, new techniques for the repair and lengthening of broken bones, new approaches for the treatment of children with Cerebral Palsy, and the use of non-narcotic pain killer in controlling pain following surgery for cancer patients are now possible.

The Baptist Hospital provided 210,456 days of care for 22,607 patient admissions last year. Also, there were approximately 388,000 ambulatory patient visits to various departments. These patients came from 34 states and many foreign countries.

The Department of Pastoral Care continues to minister as a service agency and teaching facility. Last year, this department provided more than 29,000 ministries to patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and families. The Minister's Care Plan had 1,446 sessions with more than 200 different clergy families. Also, the new Missionary Counseling and Support Services Program and the Division of Clinical Pastoral Education/Chaplaincy provided service to many individuals.

The Baptist Hospital received $692,946 through the Cooperative Program and $271,361 through the Homes and Hospital Offering and direct gifts. Cooperative Program funds are used for the Department of Pastoral Care, and other church gifts help provide Benevolent Care for financially needy patients.

Respectfully submitted,
Rev. Julius Blevins

BAPTIST LITERATURE REPORT

When we are asked to try something we've never tried before, we often ask, "Tell

me one good reason." I would like to share with you ten good reasons to try Baptist Literature.

1. Baptist Literature Board materials are based on the inerrant word of God.
2. The literature is evangelistic and teaches how to be saved and how to win others to Christ.
3. The literature relates the Bible to real-life issues.
4. Baptist Literature Board writers present material in ways that challenge students and hold their interest.
5. The literature encourages effective lesson preparation.
6. Lesson materials are completely correlated to help teachers reduce their preparation time.
7. Built-in teacher training develops spiritual understanding and teaching skills.
8. Vividly colorful student Activity Books appeal to a generation bombarded with pictures.
9. Teaching Resources help teachers visualize the lesson and much more!
10. Baptist Literature Board materials stress Southern Baptist Missions and Denominational Life.

Can you give me one good reason why you aren't using Baptist Literature?

Billy Felts

BROTHERHOOD REPORT

As we look back on the work of Brotherhood this past year, we hope that we will see our failures and be thankful to God for our accomplishments.

Looking ahead to the coming year, we pray that we may catch a vision of the many opportunities that God can give us be a blessing and witness for Him.

Men and boys need to be involved. What better way could they be involved than using their talents to do His work?

Our Brotherhood goal for 1990-91 is that we will "let brotherly love continue."

In 1989-90 Brotherhood promoted and/or participated in the following:

EVENT	NO. CHURCHES REPRESENTED	TOTAL PARTICIPATING
Pinewood Derby	7	79
Key Leadership Conference Ridgecrest	1	1
R.A. Track Meet	6	32
Assoc. Key Leadership Conference	4	4

MUSIC REPORT

A special "thank you" to the individuals, groups, and Associational Choir for the great job each has done providing music at Associational events this past year.

Our Associational Choir has been rehearsing for the annual meeting and is looking

forward to sharing at that time. Please feel free to come to choir rehearsals-all are welcome. Come on out and "join with ours, your voices" in song and praise.

BAPTIST CHILDREN'S HOMES REPORT

For 105 years Baptist Children's Homes of North Carolina has been giving children a chance at life. This year we formalized that phrase into our first state wide fund--raising campaign.

The "Give a Child a Chance!" Campaign seeks to raise $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

Children's hopes were bolstered by the return of the Thanksgiving Offering voted by the messengers to the 1989 State Convention. In the change from Homes and Hospital Offering, BCH will go 18 months without a special collection.

Some churches aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. This is essential for the entire missions enterprise.

James Byrd

MEDIA LIBRARY REPORT

The potential of media is unlimited! After all, every time we communicate, we do it with media. Music, books, tapes, pictures, movies, TV, radio, newspapers, tracts, sermons, signs, testimonies, people - all are media. If we communicate at all, we do it through some form of media. But not every person can be reached with the same instrument. Our task, then is to be wise and sensitive to as many people as possible. We want to fulfill the Great Commission and go into all the world . . . culturally, educationally, vocationally, socially, geographically. And the way we do it is through media.

Never before have the resources been available that are currently accessible. Rarely have Christians had the opportunity to so impact the world as we do today. So we want to use every avenue to reach the lost for Christ, strengthen Christians and train our teachers and leaders.

Currently, ten of our churches have media libraries. We commend these for their vision of ministering to others through media. Training for media staff is available through the Associational Church Media Library Organization (TACMO). Five classes were held this year. Also, we had three media staff to attend the Regional Conference in April at Caraway. Thank you for your support.

Clarine Foster, Director

GENERAL BOARD REPORT

January, 1990, began my third year as a General Board member. The General Board serves as the convention between sessions of the state convention.

Representatives from seventy-nine associations and the ten geographical regions of North Carolina make up the general board. Other members are made up of the Officers of our Baptist State Convention, the president of the WMU, the president of Baptist Men, the Executive Director-Treasurer, the Recording Secretary, and the North Carolina members of the Executive Committee of the Southern Baptist Convention.

During the past year, I have served on the Youth and Campus Ministry Committee and on the Budget Committee for the State.

Your representative has attended three General Board meetings during the year. Each meeting starts on Tuesday morning and runs through Wednesday. One meeting was at Caraway Conference Center, one at Campbell College, and one at Caswell Conference Center. at these meetings the Youth and Campus Committee met. The Budget Committee met once at the Convention Center at Cary, N.C. and once at Caraway Conference Center.

Dr. Jo Hendrix

WOMAN'S MISSIONARY UNION REPORT

As WMU Director for Stone Mountain Association, I commend our Associational team for the work they are doing for the association.

In March of this year our Annual Mission Session was held at Mountain Valley Baptist Church with a large attendance. Mrs. Karen Deal from the Alexander Association was the guest speaker. Mrs. Deal spent two weeks in Brazil the previous summer as a volunteer missionary. The slides and her talk about her trip and the need of missionaries in Brazil inspired others to make plans to go. This past May, Ms. Ann Smith from New Light Baptist Church served as a volunteer missionary in Francha, Brazil for two weeks. She went with a group from the Brushy Mountain Association. Also, at the Annual Session we had our State WMU consultant, Ms. Jan High, as a guest speaker. Following the Annual Session, refreshments were served in the fellowship hall of the church.

In July of this year, as in previous years, our Associational Team attended workshops at Fruitland and at Caraway Conference Center. At these workshops, these leaders gathered material and information to assist them in the training sessions for the different WMU organizations in our churches.

The WMU Associational age level leaders are available to assist you and to provide you with resources for your WMU work in your church for the next year. We look forward to the coming year as one of the best with regard to missions in our Association, and we ask each church to be much in prayer for us that we will seek God's leadership in all we do. Pray that work of missions will be encouraged and supported within each church.

Respectfully submitted,
Dr. Jo Hendrix

MISSIONS COMMITTEE REPORT

In April the Missions Committee was in agreement that we should use funds

available to finance our representative, Ann Smith, on her trip to Brazil. This recommendation was voted on and approved in the April 30 Quarterly Session.

The Missions Committee met July 24, 1990 at our Associational Office, and recommended that we dedicate the annual this year to Mrs. Pat Handy for her years of service to us and in memory of a really dedicated person, Mr. Eldon Woodruff.

In July the Missions Committee was in total agreement on having an Appreciation Day for our Director of Missions, Mrs. Margie Laney. Due to the fact, we wanted to keep this a surprise this wasn't reported on at our Quarterly Session in July. August 5, 1990 was the date decided upon and this event was carried out with great success. We received a love offering of $1,576.67, which we presented with a gold pin to our Director of Missions.

We would like to take this opportunity to again thank everyone for helping to make this a very special day for our Director of Missions and to say this is proof of what we can accomplish working together!

Jeanette Billings

EVANGELISM REPORT

We close 1990 giving thanks to God for the renewed committments and professions of faith made during the Simultaneous Revivals. We had fifteen churches to participate in this evangelistic effort. I again thank those who worked so hard on the revival committee.

The State Evangelism Conference was held February 6-7 at Greensboro. This is always a great meeting and I encourage anyone who can go to do so, especially the pastors.

A second day was added to the Youth "Super Summer" at Carowinds. Twenty-six thousand youth and adults are expected to attend.

I hope we will all commit ourselves to do more in evangelism in the coming year as the Twenty-first Century draws near.

Tim Pruitt
Evangelism Chairman

CHRISTIAN HIGHER EDUCATION REPORT

A preacher once entitled his sermon, "If Christ Is the Answer, What Is the Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important questions:

What is the purpose and meaning of the created order?
How will I spend my one life?
How should I measure success?
How much is enough?
How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist

college experience provides challenges and opportunities, in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

No question about it, Baptist students and Baptist colleges belong together!

Dr. Jo Hendrix

IN MEMORIUM

Lucretia's Been Like a Mother to Me

She's left a world of suffering
Has left a world of sin and woe
She has gone to live with Jesus
On that bright Celestial shore.

The flower we lay upon her grave
May wither and decay
But the love we have for her
Will never fade away.

One by one our loved one's leave us
One by one they reach their goal
They'll be waiting to receive us
In the homeland of the soul.

Now the time is fast approaching
When I'll see her sweet face
And behold her as an angel
In that bright and happy place.

She has walked along life's pathway
For lo these many years
She has seen her day of laughter
She has seen her day of tears.

Dear mother how we'll miss you
No human tongue can tell
But we hope some day to meet you
Where we never say farewell.

SUNDAY SCHOOL REPORT

The Sunday School ASSIST Team has grown in it's ability to help the churches of Stone Mountain. The information that teachers and directors have received can be invaluable tools in helping the Sunday School complete the tasks that have been set according to the scriptures. There is much to learn in being more effective in God's work. The responsibility and the commitment is great. Thank you for the support that you have shown our team. Hopefully we have helped you and will continue to be able to help you.

Thank you for giving us the opportunity to participate in the various training sessions and for your participation in the conferences we have held throughout the year.

Respectfully submitted,
Lynne Wiles

DISCIPLESHIP TRAINING (CHURCH TRAINING) REPORT

Church Training is Discipleship Training! Discipleship Training is a mandate from God! In the Great Commission Jesus said, "make disciples". In the same Commission He said we were to teach them. Spiritual maturity does not take place automatically as a person ages. Training is necessary.

We had 54 present for our "M" Night. Mrs. Mabel Couch was guest speaker. Roaring Gap received the banner for having the most present.

We had nine children from Fairplains to participate in the Associational Children's Bible Drills. All nine were winners in the State Bible Drills. Eight were three year winners.

We are happy to report Union Baptist Church started Sunday Night Discipleship Training this year. It is our hope that more of our churches will see the need and the advantages of Discipleship Training.

Wayne Reavis

CHRISTIAN ACTION LEAGUE REPORT

If ever Christians needed to stand, we need to stand now to prevent moral decay.

The last twelve months have been eventful ones.

GAMBLING:

All three lottery bills died in committee because the pro-gambling forces just didn't have the votes. They employed the most effective lobbists that could be found, yet all of this wasn't enough because the Christian community spoke up. But you can rest assured they will be back in 1991.

DRUNK DRIVING:

Efforts will also continue in the area of alcohol. Proposals from Governor Martin and a Legislative Study Committee that would have toughened our drunk driving laws did not materialize. Some well-known defense attorneys made "sham" compromise offers in the House-Senate Conference Committee.

ABORTION:

The issue of parental consent overwhelmingly passed the House requiring a parent's approval before an abortion could be performed on a minor, but the bill died

in the Senate. How sad, a teacher can't give a child an aspirin without parental consent, but such consent is not required for a student to have an abortion.

MISCELLANEOUS:

Other legislative proposals such as raising the tax on alcoholic beverages and requiring the teaching in public schools of sexual abstinence outside of marriage to combat the teenage pregnancy problem were side tracked by the Senate. Incidentially, the tax on beer has not been increased in North Carolina since 1969. This reveals how strong the beer lobbyists are.

The Ministry of Applied Christianity thanks you for your prayers and financial support.

Respectfully submitted,
Rev. David Key

VACATION BIBLE SCHOOL REPORT

One of the phrases used to describe our Bible Schools this year was "Best ever." We are happy to report that we had eleven people to attend the State Bible School Clinic at Wilkesboro. We had 24 to attend our Early Bird Clinic and 101 representing 13 churches and 7 pastors to attend our Associational Clinic. We appreciate each one who worked with our children and adults this year.

We are happy to report that we had 6 Backyard Clubs and 1 Mission Bible School this year. A group from Fairplains went to Montana and conducted 3 Backyard Bible Clubs and 1 Mission Bible School. Peace Haven conducted 1 Backyard Bible School and Mountain Valley conducted 2.

Mark your calendars and plan to attend our clinics next year. Early Bird Clinic will be held at Mountain View Baptist Church, March 25 at 7:30 P.M. and the Associational Clinic will be held on April 22 from 7:00-9:00 P.M.

Howard Laney, VBS Director

CHRISTIAN TRAINING (SEMINARY EXTENSION) REPORT

During 1989 and 1990, we offered two courses. Romans with 22 enrolled and Ephesians/Phillipians with 17 enrolled. Both courses were taught by Rev John Robbins.

The center represents a cooperative effort between Stone Mountain Association and six Southern Baptist seminaries to provide ministry training in this area. Our students were part of a student body of more than 7,000 nationwide who took one or more Seminary Extension courses.

Floyd Coffey

COOPERATIVE PROGRAM REPORT

The 1990 theme for the Cooperative Program is "Light the World-Give". This thinking directs our thinking toward the Bold Mission Thrust goal: "Sharing the Gospel with everyone on earth by the year 2000".

What we cannot do alone, Southern Baptist do together. The Cooperative Program makes it possible for us to take part in thousands of ministries across our nation. Our individual dollars may not make a difference. Combined with money from other

Southern Baptists, however, our gifts become part of one of the strongest evangelistic efforts ever devised.

The Cooperative Program is the "glue" that molds Southern Baptists together for missions, making us "steadfast, unmovable, always abounding in the work of the Lord." (1 Cor. 15:58)

Respectfully submitted,
Wayne Reavis

ANNUITY BOARD REPORT

The Annuity Board's motto is "Serving those who serve the Lord."

As a church retirement agency, the Annuity Board's primary ministry is providing retirement benefits for people in Southern Baptist service.

North Carolina has more Cooperative Agreements than any other state-including Texas. But there is still so much to be done. Only 64% of our churches are participating in our retirement plans. Of this 64% many churches do not actually make contributions. The minister does this on his own.

Small contributions make annuitant's benefits small. In North Carolina 182 receive less than $50.00.

Only 8 of the 22 churches in Stone Mountain Association participate in the Annuity Plan. It is my prayer that each church will prayerfully consider this.

Respectfully submitted,
Claude Johnson

NORTH CAROLINA MISSIONS REPORT

Changing lives through State Missions is our theme for our North Carolina Missions Week of Prayer and Offering. Working together, we can reach out and change lives through the many ministries provided by our State Missions Offering.

Our schools, universities, student ministries, language missions, interfaith witness, handicapped, church extension, Baptist Men, MU and many other ministries demonstrates our united missions front as a state.

We are happy to report that one of our own, Galen Johnson, son of Reverend and Mrs. Mace Johnson, is a William Lewis Poteat scholar and is pictured in State Missions News this year. He's convinced without this aid he would not be able to attend the school of his dreams.

Respectfully submitted,
Rev. David Key

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA REPORT

One of the greatest challenges North Carolina Baptist face is the question of how residential -- living situations for Baptist Older Adults are to be provided.

For 34 years Baptist have been charged with the mission of providing residential care for "Aged Saints."

This past year marked the closing of one of our homes, Yanceyville. It also marked

the opening of a new home, Brookridge, located in Winston-Salem.

We still have five homes: 2 in Winston-Salem, Albemarle, Asheville, and Hamilton, have 1 each. These homes are striving to provide quality care for our older adults.

Respectfully submitted,
Art Fincannon
